consciousness can possibly reach The Divine Comedy tells Dante's journey through the three realms of the dead Virgil guides Dante through Hell and Purgatory and Beatrice guides him through Heaven Beatrice was a Florentine woman Dante had met in childhood He admired her from afar in a courteous love tradition way In The Journey Dante David walks the dark road of hell recognizes the sacrifice and lessons of Purgatory and finally in Paradise he understands the reason we all are and must be alive in our own time That surrounded by love and small acts of everyday heroism towards other people we can actually choose to survive the darkness and to find light
