English Language Learning Report Card

Teacher Education and Practice

English Language Learning Report Card:

Grading the Nation's Report Card National Research Council, Commission on Behavioral and Social Sciences and Education, Board on Testing and Assessment, Committee on the Evaluation of National and State Assessments of Educational Progress, 1999-01-23 Since the late 1960s the National Assessment of Educational Progress NAEP the nation's report card has been the only continuing measure of student achievement in key subject areas Increasingly educators and policymakers have expected NAEP to serve as a lever for education reform and many other purposes beyond its original role Grading the Nation's Report Card examines ways NAEP can be strengthened to provide more informative portrayals of student achievement and the school and system factors that influence it The committee offers specific recommendations and strategies for improving NAEP's effectiveness and utility including Linking achievement data to other education indicators Streamlining data collection and other aspects of its design Including students with disabilities and English language learners Revamping the process by which achievement levels are set The book explores how to improve NAEP framework documents which identify knowledge and skills to be assessed with a clearer eye toward the inferences that will be drawn from the results What should the nation expect from NAEP What should NAEP do to meet these expectations This book provides a blueprint for a new paradigm important to education policymakers professors and students as well as school administrators and teachers and education advocates **The Miseducation of English Learners** Grace P.

McField, 2014-01-01 Sometimes you need to hear the story from the beginning The Miseducation of English Learners examines the initial policy impact of Structured English Immersion SEI an English only program mandated for English Learners ELs in California Arizona and Massachusetts in the United States The book features analyses of the legal context and parameters of SEI research history on SEI SEI language policy and policy implementation according to situated context and the educational priorities and legal rights of ELs The book examines the history of SEI in the educational research literature and as it has been interpreted in the context of the legal requirement for schools to take appropriate action to meet the needs of ELs following the historic *Lau v Nichols* 1974 court decision The Miseducation of English Learners also presents and considers the implementation of SEI in comparative contexts from various perspectives including teacher education the classroom and legal In several of the chapters SEI implementation is examined in concert with other factors that have effected the teaching and progress of ELs such as Senate Bill 2042 2001 that overhauled the teacher education process in California and the federal No Child Left Behind legislation signed into law on January 8 2002 Moreover the book provides implications and recommendations for teaching research advocacy and policy change The Miseducation of English Learners addresses and invites the readers to consider the following key questions How appropriate is the mandated SEI program for ELs both in substance and in the one year duration as specified in the three voter initiated propositions Proposition 227 Proposition 203 and Question 2 What issues themes and patterns can be noted in the implementation of SEI in California

Arizona and Massachusetts Why might the student outcomes not show the desired results in measures such as achievement test scores or dropout rates What necessary changes are called for in order to enhance or in some cases supplant the SEI programs and services in place for ELs Are ELs parents and other stakeholders able to thoughtfully select desired and optimal instructional programs and participate meaningfully in the educational process of language minority students under the SEI mandates
