A Complete English Translation of Dōgen Zenji's Shōbōgenzō (the Eye and Treasury of the True Law)

Dōgen,1975 **The Rāmāyaṇa of Vālmīki** Vālmīki,2022-01-18 The definitive translation of the classic Sanskrit work in a single volume paperback edition [The Oxford Handbook of Eye Movements](#) Simon Liversedge,Iain Gilchrist,Stefan Everling,2011-08-18 In the past few years there has been an explosion of eye movement research in cognitive science and neuroscience This has been due to the availability of off the shelf eye trackers along with software to allow the easy acquisition and analysis of eye movement data Accompanying this has been a realisation that eye movement data can be informative about many different aspects of perceptual and cognitive processing Eye movements have been used to examine the visual and cognitive processes underpinning a much broader range of human activities including language production dialogue human computer interaction driving behaviour sporting performance and emotional states Finally in the past thirty years there have been real advances in our understanding of the neural processes that underpin eye movement behaviour The Oxford Handbook of Eye Movements provides the first comprehensive review of the entire field of eye movement research In over fifty chapters it reviews the developments that have so far taken place the areas actively being researched and looks at how the field is likely to develop in the coming years The first section considers historical and background material before moving onto section 2 on the neural basis of eye movements The third and fourth sections look at visual cognition and eye movements and eye movement pathology and development The final sections consider eye movements and reading and language processing and eye movements Bringing together cutting edge research from an international team of leading psychologists neuroscientists and vision researchers this book is the definitive reference work in this field *The Brain and Regulation of Eye Movement* A. Shakhnovich,2012-12-06 Dr Shakhnovich brought out the original Russian edition of this work in 1974 Fully half of that book was concerned with his own studies of eye movements These included observations on patients with neuromuscular disorders that produced unique oculomotor deficits Other anomalies of eye motility resulted from local changes in cerebral and cerebellar blood flow and the effects of surgical intervention for aneurysms and brain tumors Supplementary experiments included the probing of single units in the motor and visual brain areas of rabbits Still other studies were done on normal human eye movements with the aid of the Yarbush cap attachment to the cornea of the eye A major aim of the original book was to show that eye movements provide a relatively simple illustration of goal directed behavior This traditional Russian theme developed by Sechenov Pavlov and Bemshtein was put forth as a unifying concept to explain the author's findings Consideration was also given to Western ideas and problems that dominated the research of the 1950s and 1960s Among these as summarized by Dr Shakhnovich were perceptual constancy corollary discharge saccadic suppression and the effects of image stabilization **Nails and Eyes** Kaori Fujino,2023-09-12 Tense subtly disturbing Japanese literary horror perfect for fans of *Tender is the Flesh* and *The Vegetarian* An unforgettably

creepy child narrator weaves uncanny tales about her new stepmother in this feminist horror novella short story collection that introduces a unique new voice in Japanese literature A young girl loses her mother and her father blindly invites his secret lover into the family home to care for her As she obsessively tries to curate a pristine life this new interloper remains indifferent to the girl who seems to record her every move and she realises only too late all that she has failed to see With masterful narrative control Nails and Eyes appearing in English for the first time builds to a conclusion of disturbing power Paired with two additional stories of unsettled minds and creeping tension it introduces a daring new voice in Japanese literature **The Bookman** ,1921 **A Prose English Translation of the Mahabharata** Manmatha Nath

Dutt,Manmathanatha Datta,1895 **Man in Africa** Mary Douglas,Phyllis M. Kaberry,2013-07-04 Tavistock Press was established as a co operative venture between the Tavistock Institute and Routledge Kegan Paul RKP in the 1950s to produce a series of major contributions across the social sciences This volume is part of a 2001 reissue of a selection of those important works which have since gone out of print or are difficult to locate Published by Routledge 112 volumes in total are being brought together under the name The International Behavioural and Social Sciences Library Classics from the Tavistock Press Reproduced here in facsimile this volume was originally published in 1969 and is available individually The collection is also available in a number of themed mini sets of between 5 and 13 volumes or as a complete collection Eyes Wide Open: The Illuminati Tigress-Programing, -Training and -Using Angelina Jolie (Second Edition) Istvan Adorjan,2018-09-24 p margin bottom 0 25cm line height 120% p margin bottom 0 25cm line height 120% Corroborated mainly with cinematographic evidences this book expounds a theory according to which the American national secret political organization named Illuminati used the film art of the American actress Angelina Jolie for her tigress programing and training for national secret political purposes **Afferent Control of Posture and Locomotion** ,1990-02-28 Afferent Control of Posture and Locomotion
