Martin, 2019-10-23 Mindfulness is celebrated everywhere especially in health psychology and spiritual practices but also in the arts business education environmentalism sports and the use of digital devices While the current mindfulness movement may be in part the latest fad in a narcissistic and therapeutic culture it is also worthy of greater philosophical attention As a study in ethics and moral psychology *Mindfulness in Good Lives* remedies the neglect of this subject within philosophy Mike W. Martin makes sense of the striking variety of concepts of mindfulness by connecting them to the core idea of value-based mindfulness paying attention to what matters in light of relevant values When the values are sound mindfulness is a virtue that helps implement the kaleidoscope of values in good lives Health psychologists who currently dominate the study of mindfulness often present their research as value-neutral science Yet they invariably presuppose moral values that should be made transparent These values which lie at the interface of morality and mental health form bridges between philosophy and psychology and between literature and spirituality **Middle-Class Lifeboat** Paul Edwards, Sarah Edwards, 2008-01-01 A comprehensive guide to safeguard your livelihood income and standard of living through the ups and downs of any economy Most Americans no matter what their economic circumstances identify themselves as middle class A recent Gallup poll
