, *Work Hard, Be Hard* Jim Horn, 2016-02-18 This book explores the ideological contexts for the creation and spread of No Excuses charter schools In so doing *Work Hard Be Hard* focuses closely on the Knowledge Is Power Program KIPP charter school chain as the most prominent exemplar for total compliance No Excuses schooling By way of in depth interviews former teachers offer accounts of their No Excuses teaching experiences that have not been heard before and that are not likely to be forgotten soon *Work Hard Be Hard* also examines the KIPP organization as a manifestation of modern education reform exemplified in the convergence of neoliberal politics and the aggressive activities of the business and philanthropic communities As an important corollary to the total compliance charter phenomenon the book explores too the role of Teach for America in supplying the needed manpower and values components required to deal with very high levels of teacher attrition in these schools *Work Hard Be Hard* goes beyond accounts offered in news features articles and interviews that focus on No Excuses charters high test scores and expanded college opportunities for economically disadvantaged children In short the book offers a naturalistic antidote to the high profile gloss that mass media provides for No Excuses schooling *Work Hard Be Hard* examines new developments in No Excuses schooling that focus on psychological interventions aimed to alter children s neurological and behavioral schemas in order to affect socio cultural values and behaviors Fraught with potential for abuse and misapplication by minimally trained teachers these cult like practices are examined and contrasted with more humane strategies that hope to reawaken the virtues of teaching and learning within the expansive confines of the sciences and arts of a truly humane pedagogy This book will Function as a common reader for parent groups or individuals interested in understanding the inner workings and impacts of no excuses charter schools Serve as a text for education students for courses in pedagogy social and cultural foundations of education education policy and politics of education Provide deeper appreciation of social political and economic issues and incentives associated with total compliance charter schools Help to ameliorate an absence of teacher perspectives on teaching in No Excuses charter schools Assist the general public in understanding the ideological and economic agendas that drive support of total compliance charter schools Help to educate policy makers and their staffs in cultural and economic facets of corporate education reform that are relevant to political decisions regarding education policy

Organ Literature Corliss Richard Arnold, 2003-02 Now in

paperback Cloth edition 0 8108 2964 9 originally published in 1995 **Identity and Nation in African Football C.**

Onwumechili, G. Akindes, 2014-04-08 The 2010 South African World Cup launched African football onto the global stage This volume brings together top scholars on African football to explore a range of issues such as gender identity nationalism history cyber fandom the media and fan radicalization Japan after 3/11 Pradyumna P. Karan, Unryu Suganuma, 2016-09-27

On March 11 2011 an underwater earthquake off the Pacific coast of Tohoku Japan triggered one of the most devastating tsunamis of a generation The aftermath was overwhelming communities were reduced to rubble thousands of people were

missing or dead and relief organizations struggled to reach affected areas to provide aid for survivors and victims of radiation from compromised nuclear reactors In Japan after 3 11 editors Pradyumna P Karan and Unryu Suganuma assemble geographers economists humanists and scientists to consider the complex economic physical and social impacts of this heartbreaking disaster Historical geographers place the events of March 2011 in context while other contributors assess the damage and recommend strategies for the long process of reclamation and rebuilding The book also includes interviews with victims that explore the social implications of radioactive contamination and invite comparisons to the discrimination faced by survivors of the Hiroshima and Nagasaki bombings Balancing the natural and social sciences this timely volume offers not only a model of interdisciplinary research for scholars but also an invaluable guide to the planning and implementation of reconstruction

Agriculture and economic transformation in the Middle East and North Africa: A review of the past with lessons for the future Nin-Pratt, Alejandro, El-Enbaby, Hoda, Figueroa, Jose Luis, ElDidi, Hagar, Breisinger, Clemens, 2017-12-31 The agriculture sector is key for economic and social development but the sector's potential has not received enough attention from policy makers and stakeholders in the Middle East and North Africa MENA region Political transitions instability and the resulting refugee crisis have shifted focus away from other pressing development challenges including slow progress in economic diversification high unemployment and persistent high food insecurity and rural poverty Despite its small contribution to GDP agriculture is strategic for sustainable development in the MENA countries Agriculture for example is central to achieve food and water security in a region characterized as one of the most food insecure and water scarce in the world The sector's role in employment is also central given the region's high structural unemployment However it will not be possible for MENA countries to develop agriculture without a pathway to structural economic transformation The region has already started the process of transformation but longstanding challenges remain This report aims to examine the drivers constraints and social implications of agricultural development in MENA and to explore possible cornerstones for new and sustainable development strategies in the context of economic transformation More specifically the report provides answers to the following questions What development

strategies and policies did governments in MENA put in place over the past three decades and how did they affect the performance of agriculture How did the structural characteristics of the MENA countries affect agricultural development and the economic transformation process in the region What did we learn from the past performance of agriculture What should be the central elements guiding future agricultural policies What are elements of a new and sustainable development strategy in MENA countries What is the role of agriculture and agro industries for development in MENA
