Le Spiritisme A Sa Plus Simple Expression:

Spiritism in its simplest expression Allan Kardec, 2021-11-17 Wanting to popularize Spiritism and make spreading it easier and quicker but without prejudicing the basic works of the Spiritist Doctrine Allan Kardec wrote a number of booklets and distributed them throughout France at prices that were affordable for anyone who might be interested Some of them had several printings and were highly successful They continued to be republished even after the Codifier's discarnation This is one of those booklets It is hoped that Spiritist readers will find that this unpretentious work enriches their knowledge of the Spiritist Doctrine

Sharp, 2006-09-22

Secular Spirituality challenges the traditional dichotomy between Enlightenment reason and religion It follows French romantic socialists and spiritists search for a new spirituality based on reincarnation as a path to progress for individuals and society Leaders like Allan Kardec argued for social reform spiritist groups strove for equality and women mediums challenged gender roles Lynn L. Sharp looks closely at what it meant to practice spiritism analysing the movement's social and political critique and explaining the popularity of the new belief She explores points of convergence and conflict in the interplay between spiritism and science spiritism and psychology and spiritism and the Catholic church to argue that the nineteenth century was not as disenchanted as has been thought *Secular Spirituality* successfully places spiritism within a larger cultural conversation going beyond the leaders of the movement to look at the way spiritism functioned for its followers
