Keith Nicholson,2018-08-23 After being traditionally published for many years this formidable text by W Keith Nicholson is
now being released as an open educational resource and part of Lyryx with Open Texts Supporting today s students and
instructors requires much more than a textbook which is why Dr Nicholson opted to work with Lyryx Learning Overall the
aim of the text is to achieve a balance among computational skills theory and applications of linear algebra It is a relatively
advanced introduction to the ideas and techniques of linear algebra targeted for science and engineering students who need
to understand not only how to use these methods but also gain insight into why they work Paperbound Books in Print
