Following this broader engineering education, some additional groups of students spent at least part of engineering education. These included some international students, some students who returned to military or nonengineering school, some who returned to work in the field, and some who returned to engineering school for graduate study. These students contributed to the data in a way that was not specified in the original survey. The data were not included in the analysis of the original survey, but they were included in the analysis of the data from the 2000 survey.

It will also create problems administratively since the schools will independently determine how water quality is paid. Some states may have to report that all the water is supplied by treated water, although some 75 suppliers are continuously or occasionally drawing untreated water as well.
