Donald E. Kieso, 2013 Teaching IFRS Richard M.S. Wilson, Ralph W. Adler, 2013-09-13 The increasing pace of global conformance towards the adoption of International Financial Reporting Standards IFRS highlights the need for accounting students as well as accounting practitioners to be conversant with IFRS Teaching IFRS offers expert descriptions of and insights into the IFRS convergence process from a teaching and learning perspective Hence this book is both timely and likely to have considerable impact in providing guidance for those who teach financial reporting around the world The contents of the book come from authoritative sources and offer something distinctive to complement the existing textbooks which typically focus on the technical aspects of IFRS and their adoption Drawing upon the experiences of those who have sought to introduce IFRS related classroom innovations and the associated student outcomes achieved therefrom the book offers suggestions about how to design and deliver courses dealing with IFRS and catalogues extensive listings of IFRS related teaching resources to support those courses This book was originally published as a special issue of Accounting Education An international journal

Intermediate Accounting IFRS Donald E. Kieso, Jerry J. Weygandt, Terry D. Warfield, 2020-07-08 Essential knowledge of International Financial Reporting Standards for students of global accounting This important work provides the tools global accounting students need to understand international financial reporting standards IFRS and how they are applied in practice This text emphasizes fair value proper accounting for financial instruments and new developments in international accounting By presenting IFRS in light of current accounting practice this book helps students gain practical knowledge of the topic that they can apply as they advance into their global accounting careers With this revised and updated Fourth Edition students will develop a firm conceptual understanding of IFRS as well as the ability to integrate their learning through practical exercises Throughout this text Global Accounting Insights highlight the important differences that remain between IFRS and U S GAAP discussing the ongoing joint convergence efforts to resolve them Comprehensive up to date and accurate Intermediate Accounting IFRS includes proven pedagogical tools designed to help students learn more effectively Comprehensively covers the latest International Financial Reporting Standards and how they are applied in practice Takes a comparative approach to help students understand the

differences between IFRS U S GAAP and other important standards Emphasizes practical application of knowledge with end of chapter Review and Practice sections Provides authoritative references and citations to ensure content reliability and provide opportunities for further study Includes access to video walkthroughs interactive content and digital resources to support student engagement and ensure positive learning outcomes As IFRS gains broad acceptance around the world students of global accounting will need to be intimately familiar with these standards and prepared to keep up with the rapid changes in the international environment Intermediate Accounting IFRS answers to these pressing needs making it the clear choice for accounting courses at the intermediate level **Intermediate Accounting IFRS, International Adaptation**
