Juniper Berry Mp Kozlowsky:

Juniper Berry M. P. Kozlowsky, 2011-04-26 Juniper Berry's parents are the most beloved actor and actress in the world but Juniper can't help but feel they haven't been quite right lately. And she and her friend Giles are determined to find out why. On a cold and rainy night Juniper follows her parents as they sneak out of the house and enter the woods. What she discovers is an underworld filled with contradictions, one that is terrifying and enticing, lorded over by a creature both sinister and seductive who can sell you all the world's secrets bound in a balloon. For the first time Juniper and Giles have a choice to make. And it will be up to them to confront their own fears in order to save the ones who couldn't. M. P. Kozlowsky's debut is a modern day fairy tale of terror, temptation, and ways in which it is our choices that make us who we are. **Juniper Berry** M.

P. Kozlowsky, 2012 **Rose Coffin** M. P. Kozlowsky, 2019-10-15 Rose Coffin can't win. She's teased for her secondhand clothes. She's teased for blushing all the time. And she's teased for slipping into song at inopportune moments. Though that's the only thing that keeps her panic at bay. After a particularly mortifying incident, Rose escapes to the woods where she's captured by a group of otherworldly creatures. They take her to Eppersett, a magical, eerily beautiful place where cemeteries are full of dead dreams, moving castles roll along on tracks, and most shocking of all, people seem to love Rose at first sight. They tell her that she's the one they've been waiting for. The one who's going to save them. An evil force called the Abomination is on the loose, and there's only one thing powerful enough to stop it: her voice. There's just one catch: Rose hasn't been brought to Eppersett to fight the Abomination. She's going to be sacrificed to it. She's the chosen one, all right, the one who's been chosen to die. In this startlingly original fantasy, M. P. Kozlowsky takes readers on a journey like no other, an adventure that'll transform everything you thought you knew about friendship, love, and the true power of finding your voice.

The Dyerville Tales M. P. Kozlowsky, 2014-04-22 Vince Elgin is an orphan having lost his mother and his father in a fire when he was young, but beyond that, his life hasn't been much of a fairy tale. With only a senile grandfather, he barely knows to call family. Vince was interned in a group home where he spun fantastical stories and dreamed that his father, whose body was never found, might one day return for him. But it's been a long time since the fire. A long time since Vince has told himself a story worth believing in. That's when a letter arrives telling Vince his grandfather has passed away. Vince cannot explain it, but he's convinced that if his father is somehow still alive, he'll find him at the funeral. He strikes out for the small town of Dyerville, carrying only one thing with him: his grandfather's journal. The journal tells a tale that could not possibly be true: the story of his grandfather's young life with witches, giants, magical books, and evil spirits. But as Vince reads on and gets closer to Dyerville, fact and fiction begin to intertwine, and Vince finds that his very real adventure may have more in common with his grandfather's than he ever could have known. M. P. Kozlowsky, author of *Juniper Berry*, has crafted a powerfully imaginative novel of the spaces in life where fantasy and reality intersect, and a touching story of the things we give up to recover the things we've lost. **Scarecrow Has a Gun** Michael Paul Kozlowsky, 2022-08-02 Never trust other people's memories, and

watch out for your own Sean Whittlesea was there when his wife was murdered He saw the light leave her eyes He held her dead body in his arms He knows he wept but he cannot recollect a single other detail Tormented by the tragedy Sean relives the horror over and over again As he struggles to recall what really happened his imagination serves up an endless chain of scenarios The truth however remains hidden in the vault of his memory and the key is nowhere to be found Nearly two decades later Sean now remarried and a father of two wins a bizarre contest hosted by his eccentric boss The prize is the Memory Palace a state of the art black box that purportedly allows its possessor to relive every moment he has ever experienced playing out all the memories on a screen While the small machine at first appears to be the answer to the mystery surrounding the death of his wife it instead upends Sean s life He pushes his family further and further away as the Memory Palace forces him to confront harsh realities and difficult questions that he lacks the strength to face or answer Spiraling downward Sean encounters increasingly harrowing challenges that force him to realize that his memory is not the only thing at stake To recover the truth about his past Sean must fight for his very life
