
Schenck v. United States (1919)

Answer Key

Elements of the Case

1. **Issue:** Does the Espionage Act of 1917 violate the First Amendment with respect to Schenck's freedom of speech?
2. Schenck was accused of mailing circulars to approximately 15,000 U.S. Army draftees, encouraging them to resist the draft. The action was prohibited by one section of the Espionage Act of 1917. Schenck was convicted in district court. He asked the Supreme Court to overturn his conviction and declare the Espionage Act unconstitutional because it abridged the First Amendment guarantee of free speech.
3. The Supreme Court's decision upheld the lower court's conviction and declared that the Espionage Act was allowable in a wartime context. The Court acknowledged that Schenck might have been within his rights under other circumstances. But the effect of his speech presented a "clear and present danger" to army discipline and to the nation's ability to conduct the war. For these reasons, the Court declared Schenck's right to free speech could be limited.
4. It allowed for limitations on the individual's freedom of speech when balanced against wartime needs and public welfare. Justice Holmes created the "clear and present danger" test, which is still a guide-

line for balancing the needs of society with the rights of the individual.

Evaluation of the Case

1. Answers will vary, but students should give reasonable reasons for their opinions.
2. Answers will vary, but examples should show that students understand the meaning of the term.
3. Answers will vary. Some students may think that freedom of speech should never be limited; others will agree with the "clear and present danger" test.

Extending the Lesson

1. Have students research the Espionage Act and the other restrictive acts passed just before World War I and read excerpts from them in class. What do students think of the limits they place on free speech? Why did these acts seem necessary at the time?
2. Have students research the reasons why Congress established the draft (Selective Service) before the United States entered World War I. Be sure they are clear about the differences between volunteer armies and those based on a draft.
3. Have students compare the situation in this case with that of the *Pentagon Papers* case (Decision 19). Would the *Pentagon Papers* have been suppressed under the Espionage Act? Why or why not?
