The Times Index ,2009 Indexes the Times Sunday times and magazine Times literary supplement Times educational supplement Times educational supplement Scotland and the Times higher education supplement Education by Numbers Warwick Mansell,2007 It sounded a noble aim for New Labour to prioritise education The method they chose since coming to power was a relentless attempt to raise standards by an obsession with tests and exams in every school almost at every level Warwick Mansell researches the subject in detail and reveals how intention and practice differ so widely *Parliamentary Debates (Hansard)*. Great Britain. Parliament. House of Commons,2010 **The Guardian Index** ,2002 Citizenship and Democracy in Further and Adult Education Neil Hopkins,2013-07-30 This book addresses the questions why citizenship education is an important subject for students in further and adult education and why we need democratic colleges to support the study of citizenship education It investigates the historical roots of further and adult education and identifies how the adoption of citizenship education in the post compulsory sector can enrich vocational studies in further education and programmes in adult education It is argued that democratic colleges are vital to ensure that citizenship education informs the decision making process throughout educational institutions and as a means of establishing fair and equal representation for important stakeholders The author has worked in both sectors for over a decade and uses this experience to offer a blend of educational practice and philosophical investigation The result is a work that appeals to both teachers in further and adult education as well as academics and students interested in philosophy of education The administration of examinations for 15-19 year olds in England Great Britain: Parliament: House of Commons: Education Committee,2012-07-03 Additional written evidence is contained in Volume 3 available on the Committee website at www.parliament.uk/educom Edexcel AEA.
