

Before this time began, there was no heaven, no earth and no space between. A vast, dark, ocean washed upon the shores of nothingness, against colors floated on the waters.

A sleep within its endless coils lay the Lord Vishnu. He was watched over by the mighty serpent.

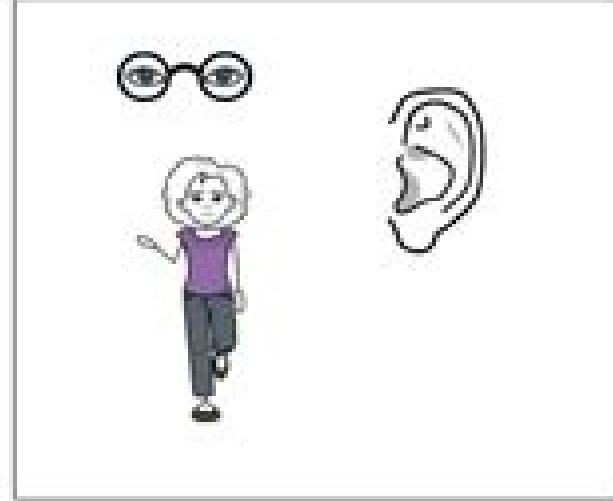

Waiting patient, As the days began to break, from Vishnu's belly bottom grew a magnificent lotus flower. In the center of the blossoms sat Brahma. He awaited the Lord's command. Vishnu spoke to him. "It is time to begin." Brahma bowed. Vishnu commanded, "Create the World." A wind swept up the waters. Vishnu and the serpent vanished.

Brahma remained in the lotus flower. He lifted up his arms and called the wind and the waves. Then Brahma split the lotus flower into three. He stretched one part into the heavens, he made another part into the earth. With the third part of the flower he created the other.

Then he created everything on earth

To all these creatures, he gave the powers of touch and smell. He gave them power to see, hear and taste.
