those skills together in a final project that cements those skills into zombie smashing muscle memory Why Zombies Are zombies just a gimmick Why would this be any better than a straight laced book that sticks to the facts Straight laced books are often straight boring And if you have insomnia problems go buy that book The author John has read the boring books and knows that staying awake and engaged are also important for learning But this book uses zombie references and analogies not just to make you smile but to help the material stick If a tough technical concept is related in silly terms you understand like a zombie trying to buy gum at a super market it s much more likely to stay in that brain those zombies are intent on eating
