Hugo Boss Watch Owners Manual:

Exile on Front Street George Christie, 2016-09-20 I hadn't planned on writing a book when I quit the Hells Angels. After forty years in the Hells Angels, George Christie was ready to retire. As president of the high profile Ventura chapter of the club, he had been the yin to Sonny Barger's yang. Barger was the reckless figurehead and de facto world leader of the Hells Angels. Christie was the negotiator, the spokesman, the thinker, the guy who smoothed things out. He was the one who carried the Olympic torch and counted movie stars, artists, rock musicians, and police chief captains among his friends. But leaving the Hells Angels isn't easy, and within two weeks of retirement, he was told he was out, blackballed by his fellow Angels, prohibited from wearing the club patch, and even told he should remove his Death Head tattoo. Now Christie sets out to tell his story. *Exile on Front Street* is the tale of how a former Marine gave up a comfortable job with the Department of Defense and swore allegiance to the Hells Angels. In this revealing, hard-hitting memoir, he recounts his life as an outlaw biker with the world's most infamous motorcycle club.

Military Chic Carolyn Rohaly, 2018-10-10 *Military Chic* is where high fashion meets *The Art of War*. You think the fashion industry is just about gorgeous clothes and beautiful models. More happens behind the scenes than you think. Gigi LaFaux is a fabulous gal. She's a whip-smart philanthropic architect who can discuss international politics as easily as debating the latest hot celebrity makeover. But she's giving up her successful architectural career to follow her passion: fashion. Moving from Calgary, aka Stampede City, where cowboy hats and boots are the height of fashion, Gigi jumps right into Toronto's fashion scene as Volunteer Coordinator for Canada's premiere fashion event, Collections Week. The first day Gigi arrives at Collections Week to find the organizers missing in action. After facing challenges such as non-existent guest lists, irate media representatives, no floor or seating plans, and complete chaos, Gigi and her team take charge. When Veronikkah Hendricks, the event's drug-addicted and increasingly schizophrenic coordinator, and her self-absorbed assistant Francie Scrimshank finally show up after a trip to the hair salon, they're no help at all. Veronikkah's behaviour is erratic; she can't make decisions and has a short temper thanks to her constant chemical cocktail of cocaine, Quaaludes, and alcohol. Francie is worse, with a cell phone at her ear constantly and preoccupation with herself. Her clothes, makeup, and hair are all more important to her than running the event. While trying to organize her volunteers and ensure Collections Week runs smoothly, Gigi runs into an unexpected love interest: Hot Brad. Not only is he a gorgeous model, but he's smart, too. The problem is sometimes he's flirty with Gigi, while other times he snuggles with his male model counterparts. Is he gay or straight? Over three days, Gigi and her volunteer team solve crisis after crisis, making Veronikkah look good until Gigi discovers a dark side behind the glittering facade of Canadian Collections Week. After suffering limitless humiliation and insults, Gigi and her volunteers are subjected to the indignity of cleaning Veronikkah and Francie's disastrously dirty office, where Gigi discovers evidence of illegal activities. She finds documents and receipts implicating Veronikkah in a string of spending sprees using Collections Week funds for European vacations, expensive dinners, and haute couture outfits.

Embezzlement isn't Veronikkah's only illicit activity at Collections Week Gigi finds drug paraphernalia in the room and discovers the so called Bolivian Designer Showcase intended as a partnership to broaden the market for designers from a less fortunate country is actually a front for Canada's biggest cocaine deal Veronikkah plots to include the drug in VIP gift bags at the Bolivian showcase and plans to pin it on Francie and the volunteers if she is caught Not wanting to get busted for illegal activities Gigi and her volunteer team intend to get even with Veronikkah for treating them poorly and potentially ruining the reputation of Canadian fashion designers Gigi once again takes control of the situation by overtaking the runway at the Bolivian Designer Showcase revealing Veronikkah's plans to her colleagues and the media In the mayhem following Gigi's announcement Veronikkah slips backstage captures Hot Brad and blames him for her downfall since he has her laptop computer With a bit of luck Gigi stops Veronikkah with a well aimed stiletto heel in the eyeball and saves Hot Brad's life It turns out Veronikkah is right about Hot Brad participating in her descent he is not a model at all He's an undercover journalist named Christian VanDorn investigating Veronikkah's activities His boss Chloe Kirkpatrick Veronikkah's lifelong nemesis orchestrated the journalistic investigation and both relied on Gigi's inquisitive nature to put everything together Following Collections Week Gigi and Chloe become friends and plan to create a lifestyle company together complete with clothing line magazine store and events Gigi and Christian are dating he's definitely straight and everything is perfect Gigi is now able to pursue her passion for fashion
