

The background of the book cover is a vibrant, abstract illustration. It features a dark, silhouetted mountain range in the upper half. Below the mountains, a bright, multi-colored light source, resembling a sunset or sunrise, casts a glow of orange, yellow, and red across the sky. In the foreground, there are dark, undulating hills or dunes. Scattered across these dark areas are several glowing, greenish-yellow, oval-shaped objects that look like alien eggs or small planets. The overall color palette is dominated by deep blues, purples, and greens, contrasted with the warm tones of the central light source.
