precious it was how entirely indispensable in his life A wild impulse rushed over him to call her name Lesley Lesley and spring from behind the curtain as if they two were alone together in a world of their own But after the first luminous instant the joy of her presence was blotted out in darkness He remembered everything remembered that he was Perceval Gordon an actor of the submerged tenth a wretched penniless barn stormer who for the moment came near to being an object of charity When he had bidden Lesley goodbye he was a splendid being who looked down from his heights and though loving her saw her impossible as a wife Their friendship had begun by being somewhat of a condescension on his part from his own point of view at least and she half amused half angry had seen that point of view quite clearly nor had she ever attempted to change it to the last At the thought that the curtain would ring up and show him as he was now to the astonished eyes of Lesley Dearmer he could have run away out of the theatre anywhere it mattered Lord Loveland Discovers America Charles Norris Williamson,Alice Muriel Williamson,2016-05-20 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **Lord Loveland Discovers America** Charles Norris Williamson,Alice Muriel Williamson,1910 *Lord Loveland Discovers America* Arthur Guiterman,1910 **Lord Loveland Discovers America, Etc** Charles Norris Williamson,Alice Muriel Williamson,1916 **Lord Loveland discovers America** C. from the constraints of his privileged upbringing travels to America His intentions are innocent enough he hopes to experience the vibrant bustling life of the New World and perhaps discover a new sense of purpose However upon his arrival he quickly finds himself at the mercy of American customs business dealings and a host of eccentric characters that are far removed from his aristocratic expectations Lord Loveland Discovers America is not just a tale of personal exploration but also a witty commentary on the differences between the old world of European nobility and the rapidly evolving society of early 20th century America Through the character of Lord Loveland the Williamsons explore themes of identity social class and the challenges that come with adapting to new environments The novel also weaves in a romantic subplot adding a touch of light heartedness and drama to the story as Loveland navigates the complexities of love and relationships in an unfamiliar land One of the standout qualities of Lord Loveland Discovers America is its sharp sense of humor The Williamsons wit shines through in their clever dialogue and the absurd situations that Loveland finds himself in making for a fun and entertaining read The cultural contrasts between the British aristocracy and the American way of life are portrayed with both affection and satire providing readers with both entertainment and insight into the social dynamics of the time This novel is an ideal read for those who enjoy light hearted comedies of manners travel adventures and romantic escapades The Williamsons storytelling blends humor with thoughtful commentary on societal expectations making Lord Loveland Discovers America a timeless and enjoyable work It is a must read for fans of early 20th century literature and those seeking a delightful escape into a world of charm wit and gentle satire
