Louie And Lulu The First Chapter:

Louie the Bee Dave Corrick,2010-02-18 Louie the Bee is the story of an insect community residing along the bank of a stream It is about how the insects learn to survive against various threats The main threat is from humans who in the name of progress want to destroy the insects environment There is humour with a light touch of A A Milne but the story is modern with references to global warming and other 21st century issues The story is entertaining and draws strong emotional responses from the reader It is a story that is not easily forgotten and captures the imagination of a wide range of readers
