Concise Dictionary of Social and Cultural Anthropology Mike Morris, 2012-03-19 CONCISE DICTIONARY OF SOCIAL AND CULTURAL ANTHROPOLOGY CONCISE DICTIONARY OF SOCIAL AND CULTURAL ANTHROPOLOGY The Concise Dictionary of Social and Cultural Anthropology will provide invaluable assistance to anthropological researchers both old and new It provides an authoritative single point of reference to the wide range of technical terms that professional anthropologists are expected to understand David Zeitlyn Oxford University The Concise Dictionary of Social and Cultural Anthropology is an accessible hands on guide to the hundreds of terms the student of anthropology and the general reader will encounter in dealing with anthropological and ethnographic literature It includes related terminology from allied fields such as sociology economics and geography The focus is on key concepts in anthropology with a number of biographies included to identify influential figures who have formulated central theories and conducted the most famous field research within cultures around the world Extensive bibliographical references provide pointers for further research Anthropology is a relatively young discipline with a complex history Anthropological research

encompasses hundreds of cultures and provides a valuable perspective on an increasingly globalized world Written by a researcher and librarian expert in the fields of social and cultural anthropology this Concise Dictionary offers an invaluable reference to the terminology and accomplishments of this far reaching and diverse field **African Spirituality, Politics, and Knowledge Systems** Toyin Falola, 2022-03-10 Focusing on the three leading religious traditions in Africa African Traditional Religion Islam and Christianity this book shows how belief in the supremacy of sacred words compels actions and influences practices in contemporary Africa Sacred words are taken to mean holy texts as in divination the Quran and the Bible Toyin Falola evaluates how religious leaders engage with sacred words both orals and texts engendering practices that reveal the expression of religious beliefs the impact of those beliefs and the knowledge contained in them Attention is given to the key ideas in the words chosen by religious leaders and how they form a continuous knowledge system impacting the politics of managing society and people **Parapsychology** David Groome, Ron Roberts, 2024-06-28 This new edition of Parapsychology continues to challenge and provoke readers with some of psychology's most puzzling phenomena Whether believers or sceptics the book provides readers with the opportunity to further their understanding of the paranormal bridging the gap between traditional psychology and fringe areas With contributions from leading paranormal researchers this edition has been thoroughly updated and includes new chapters on dreams precognition and prediction of future events and anthropology The book has been reorganised to help readers frame each phenomenon within the context of cognition science and religion and chapters are structured around science and experience cognition and belief religious belief and science and further topics in parapsychology The book covers a range of topics that can be considered parapsychological including reincarnation entity encounters astrology mediumship and near death experiences Providing a balanced introduction to parapsychology that explores the strengths and limitations of scientific investigation this is essential reading for students and professionals in the field along with anyone interested in learning more about the science of the paranormal

A Dictionary of Religion and Ethics Shailer Mathews, Gerald Birney Smith, 1921 *Collective and Individual Responsibility* Jurrien Mol, 2009 A long discussed theme concerning Ezekiel 18 and 20 is the relationship between collective and individual responsibility In the first half of the twentieth century the discussion appeared to end as a result of the introduction of the corporate personality by Henry Wheeler Robinson 1872 1945 This concept became heavily discussed and was dismissed on the grounds of its superseded theoretical basis The continuing use of the concept requires a redefinition and a new theoretical basis which is provided by the multimodal framework by Geoffrey Samuel from the field of cultural anthropology Before applying the concept Ezekiel 18 and 20 are studied extensively relative to textual criticism philology grammar and structural analysis **Our Social World** Jeanne H. Ballantine, Kathleen Odell Korgen, 2022-09-30 The Eighth Edition of Our Social World Introduction to Sociology inspires students to develop their sociological imaginations to see the world and personal events from a new perspective and to confront sociological issues on a day to day basis The text is

organized around the Social World model a conceptual framework that demonstrates the relationships among individuals the micro level organizations institutions and subcultures the meso level and societies and global structures the macro level The consistent application of the Social World Model across chapters represented in a visual diagram in the chapter openers helps students develop the practice of using three levels of analysis and to view sociology as an integrated whole rather than a set of disparate subjects This title is accompanied by a complete teaching and learning package in SAGE Vantage an intuitive learning platform that integrates quality SAGE textbook content with assignable multimedia activities and auto graded assessments to drive student engagement and ensure accountability Unparalleled in its ease of use and built for dynamic teaching and learning Vantage offers customizable LMS integration and best in class support A Critical Dictionary of English Literature and British and American Authors, Living and Deceased, from the Earliest Accounts to the Middle of the Nineteenth Century, Containing Thirty Thousand Biographies and Literary Notices, with Forty Indexes of Subjects Samuel Austin Allibone, 1859
