A Complete Guide to Rubrics Audrey M. Quinlan, 2012 This book takes a developmental perspective at the use of scoring rubrics to assess student work Citing developmental characteristics of each age the author presents examples and adaptations of assessment rubrics on a variety of subjects for teachers from kindergarten through adult college After a presentation of foundation information on rubrics separate chapters are devoted to each grade level from primary through adult Written so that each chapter can be addressed independently the book provides additional chapters devoted to assessing technological topics and using rubrics with students with special needs The final chapters provide practical information to help teachers to create their own rubrics and to covert rubric scores to letter grades An updated annotated listing of recommended rubric websites is included

Teaching the Social Skills of Academic Interaction, Grades 4-12 Harvey "Smokey" Daniels, Nancy Steineke, 2014-08-07 NEWS FLASH A major meta analysis of 213 studies showed an average 11 percent gain in academic performance for kids receiving explicit social academic learning instruction Turns out this soft stuff about creating a culture of respect and rapport yields hard and fast gains and that s no surprise to collaboration gurus Harvey Smokey Daniels and Nancy Steineke Now these authors share a yearlong plan for helping you build powerful and binding peer to peer interactions The added bonus Your kids will meet speaking and listening standards while you score better on classroom engagement rubrics Teaching the Social Skills of Academic Interaction taps the instructional power of slides full color illustrations and super succinct directions to teach both the language and the behaviors of working effectively with others These 35 lessons take your kids on a carefully paced upward spiral of collaboration with explicit coaching on how to speak listen argue persuade and get along Here s the best part You model and your students practice these social skills with the content of your curriculum not in disconnected add on exercises For each lesson there are six to 25 slides that focus on one vital academic social skill step by step teaching tips are in the lie flat planning book The sequence looks mostly like this The first slides introduce the skill like being a good partner or arguing both sides of a controversial topic then explain its value The next slides help model the skill in action using whatever curricular topic you happen to be teaching Now kids active thinking is invited as you co create strategies to enhance use of the target social academic skill Additional slides help kids practice the skill using your curricular content as you monitor and support Lessons end with a debriefing to solidify new understandings Any way you look at Teaching the Social Skills of Academic Interaction it s a win win Your students realize better engagement in curriculum topics higher performance and social skills to last a lifetime That s really college and career ready And our schools become safer harbors where students know one another respect one another and learn together Longtime collaborators themselves HARVEY SMOKEY DANIELS and NANCY STEINEKE have written six books together and are regular co presenters at all the major literacy conferences Both are former public school teachers who now work as national consultants helping schools and districts to create friendly supportive and collaborative climates for young people
