Genki 1 Workbook Second Edition:

Japanese Grammar: A Workbook for Self-Study Masahiro Tanimori, 2021-04-27 If you've mastered the basics of Japanese grammar and are ready to move to the next level this book is for you. Each of the 12 chapters is devoted to one widely used sentence structure and its variations. Chapters are broken down into the following easy-to-follow components: Clear presentation of model sentences; Breakdown and explanation of the grammar of key sentence patterns; Controlled practice exercises such as filling in the blanks and imitating model sentences; Free practice exercises using the target sentence structure to create your own sentences; Reading comprehension practice of narrative text and dialogues for consolidation. Online audio files recorded by a native speaker are available for all key Japanese dialogues and all texts are written in Japanese characters with romanized Japanese and English translation, making the book accessible even for students who have not yet mastered Japanese script. The book is illustrated throughout with drawings that reinforce the meaning of the written text. *Japanese Grammar: A Workbook for Self-Study* is ideal for anyone studying for the JLPT N3 test or the AP Japanese Language and Culture test. It is perfect for post-beginners who want to move quickly to the next level and for intermediate students who want to review and perfect their grammar skills.

Basic Japanese Shoko Hamano, Takae Tsujioka, 2014-06-11 *Basic Japanese: A Grammar and Workbook* comprises an accessible reference grammar and related exercises in a single volume. This book presents 25 individual grammar points covering the core material which students would expect to encounter in their first year of learning Japanese. Divided into two parts, the first part outlines fundamental components of Japanese including the writing system, pronunciation, word order, particles and conjugation patterns, while the second part builds on this foundation by introducing basic grammatical patterns organised by the task they achieve. Grammar points are followed by contextualised examples and exercises which allow students to reinforce and consolidate their learning. Key features include: clear accessible format; many useful language examples; transliteration of all examples; jargon-free explanations of grammar; abundant exercises with full answers; key subject index. *Basic Japanese* is suitable both for class use and independent study, making it an ideal grammar reference and practice resource for both beginners and students with some knowledge of the language.
