**Living God and the Fullness of Life** Jürgen Moltmann, 2015-11-06 Modern humanity has accepted a truncated impoverished definition of life Focusing solely on material realities we have forgotten that joy purpose and meaning come from a life that is both immersed in the temporal and alive to the transcendent We have in other words ceased to live in God In this book renowned theologian Jürgen Moltmann shows us what that life of joy and purpose looks like Describing how we came to live in a world devoid of the ultimate he charts a way back to an intimate connection with the biblical God He counsels that we adopt a theology of life an orientation that sees God at work in both the mundane and the extraordinary and that pushes us to work for a world that fully reflects the life of its Creator Moltmann offers a telling critique of the shallow values of consumerist society and provides a compelling rationale for why spiritual sensibilities and encounter with God must lie at the heart of any life that seeks to be authentically human *The Atlantic World* D'Maris Coffman, Adrian
