Across America strip clubs have come under attack by a politically aggressive segment of the Christian Right Using plausible sounding but factually untrue arguments about the harmful effects of strip clubs on their communities the Christian Right has stoked public outrage and incited local and state governments to impose onerous restrictions on the clubs with the intent of dismantling the exotic dance industry But an even larger agenda is at work according to Judith Lynne Hanna In *Naked Truth* she builds a convincing case that the attack on exotic dance is part of the activist Christian Right's grand design to supplant constitutional democracy in America with a Bible based theocracy Hanna takes readers onstage backstage and into the community and courts to reveal the conflicts charges and realities that are playing out at the intersection of erotic fantasy religion politics and law She explains why exotic dance is a legitimate form of artistic communication and debunks the many myths and untruths that the Christian Right uses to fight strip clubs Hanna also demonstrates that while the fight happens at the local level it is part of a national campaign to regulate sexuality and punish those who do not adhere to Scripture based moral values Ultimately she argues the naked truth is that the separation of church and state is under siege and our civil liberties free speech women's rights and free enterprise are at stake ***Naked at the Albert Hall* Tracey Thorn, 2015-04-30** In her bestselling autobiography *Bedsit Disco Queen* Tracey Thorn recalled the highs and lows of a thirty year career in pop music But with the touring recording and extraordinary anecdotes there wasn't time for an in depth look at what she actually did for all those years sing She sang with warmth and emotional honesty sometimes while battling acute stage fright Part memoir part wide ranging exploration of the art mechanics and spellbinding power of singing **NAKED AT THE ALBERT HALL** takes in Dusty Springfield Dennis Potter and George Eliot Auto tune the microphone and stage presence The Streets and The X Factor Including interviews with fellow artists such as Alison Moyet Romy Madley Croft and Green Gartside of Scritti Politti and portraits of singers in fiction as well as Tracey's real life experiences it offers a unique witty and sharply observed insider's perspective on the exhilarating joy and occasional heartache of singing **Australian National**
