Lord Stevens Report On Dianas Death:

Diana--The Last Word Simone Simmons, Ingrid Seward, 2007-06-26 Simone if anything happens to me write a book and tell it like it is Diana Princess of Wales During the last five years of her life the People s Princess had one friend and confidante who was special to her She was not part of Diana s social circle she was not a family friend That woman was Simone Simmons a healer who devoted herself to the troubled Princess Over countless phone conversations and cups of tea at Kensington Palace Simone gave her candid opinions about Diana s heart soul and suffering No subject was taboo and the women shared laughter and tears as they discussed Diana s personal life including who among the Royals was good to Diana and who was hateful her only fling with John F Kennedy Jr why she inflicted self harm how Mother Teresa hurt her why she never would have married Dodi her enduring love for Prince Charles and more In these pages Simone captures the essence of one of the great icons of the twentieth century This book which reads like a personal memoir truly is Diana s last word With 8 pages of compelling photos

The IPINIONS Journal Anthony Hall, 2008-04 ANTHONY LIVINGSTON HALL COMMENTS ON Bush s legacy of support for Africa I was dismayed by the number of people who refused to believe that Bush had done more for Africa than any other US president notwithstanding testimonials I proffered from renowned crusaders for African development like Sir Bob Geldof and Bono to support this claim Oprah s school for African girls I applaud Oprah for founding this school for the same reason I applauded Madonna for adopting that African boy She is fulfilling a need which honors our shared humanity in a way that few of us can afford or are even conscientious enough to do Native Americans ethnically cleansing blacks from their tribes Indeed I do marvel at this curious thing that they would rather be condemned as racists for expelling blacks than be criticized as niggards for hoarding their gambling loot French President Nicolas Sarkozy s love affair with the US Sarkozy displays a Blairite affinity for America that any self respecting Frenchman must find particularly gaulling Bungled terrorist attacks in London and Glasgow Wannabe suicide bombers rammed their jeep packed with explosives into Glasgow Airport on Saturday morning shouting Allah Allah Allah no doubt hoping to go off in a blaze of glory for eternal assignments with their apocryphal 72 virgins Steroids in baseball In fact steroid use has flourished in baseball and other professional sports pursuant to an open conspiracy among players and team owners to feed the gladiatorial lust of fans who want to see bigger stronger and faster cyborgs perform for their atavistic enjoyment
