## **Love Through A Lens English Edition:**

Love Magic and Control in Premodern Iberian Literature Veronica Menaldi, 2021-07-29 This book explores the complexity of Iberian identity and multicultural multi religious interactions in the Peninsula through the lens of spells talismans and imaginative fiction in medieval and early modern Iberia Focusing particularly on love magic which manipulates objects celestial spheres and demonic conjurings to facilitate sexual encounters Menaldi examines how practitioners and victims of such magic as represented in major works produced in Castile Magic and love magic in particular is an exchange of knowledge a claim to power and a deviation from or subversion of the licit practices permitted by authoritative decrees As such magic serves as a metaphorical tool for understanding the complex relationships of the Christian with the non Christian In seeking to understand and incorporate hidden secrets that presumably reveal how one can manipulate their environment occult knowledge became one of the funnels through which cultures and practices mixed and adapted throughout the centuries

**The Politics of Love** Rebecca Joubin, 2013-10-03 Dramatic miniseries are the primary arena for the expression of postcolonial Syrian culture and artistic talent an arena that unites diverse aspects of artisanship in a struggle over visions of the past present and future of the nation As the tour de force of the television medium blossoming amidst persisting authoritarianism these miniseries serve as a crucial and complex artistic avenue through which political and social opposition manifests Scholars have tried to come to terms with a highly critical culture produced within attempted state co optation and argue that politically critical culture operates as a safety valve to release frustrations so that dissenters are less likely to mobilize against the government Through research fueled by a viewing of over two hundred and fifty miniseries ranging from the 1960s to the present as well as an examination of hundreds of press reports Facebook pages and extensive interviews with drama creators this book turns away from the dominant paradigm that focuses on regime intent When turning attention instead to the drama creators themselves we witness the polyphony of voices employing love and marriage metaphors and gender de constructions to explore larger issues of nationalism self identity and political critique At the heart of constructions of femininity are the complications that arise with the symbiosis of pure femininity with authentic national identity Deconstructing masculinity as political critique has been less complicated since it is not implicated in Western identity issues on the contrary illustrations of subservient masculinity serve to subtly denounce government corruption and oppression Miniseries from the 1960s demonstrate that the focus of the qabaday tough man on female sexuality comes from his own political alienation vis vis the state and is part of a vicious cycle of state violence vis vis the citizen In recent years and in particular after the uprising we can see the emerging definition of the true qabaday as one who does not suppress a woman s sexuality thereby allowing for full equality in relationships as the basis of a truly free society

**A Conspiracy of Love, Second Edition** Kurt

Struckmeyer,2024-12-10 Before there were worshipers of Jesus there were followers of Jesus Before there were organized churches with creeds and doctrines there were small communities of love equality and sharing dedicated to the practice of Jesus teachings and committed to a wholly new way of living Today the churches of the Global North are in decline and younger generations no longer seek meaning there Traditional church Christianity is gradually giving way to some new way of faithful living From a Nazi prison cell German pastor Dietrich Bonhoeffer imagined a future religionless Christianity consisting of contemplative prayer and righteous action in the secular world A Conspiracy of Love presents the contours of such a faith based on the Way of Jesus It calls us to become troublemakers revolutionaries seekers of change and agents of transformation engaged in conspiracies of love to establish justice and peace in our postmodern world It offers many different people those who remain in the church those who have left and those who have never ventured near with a life of faith that is meaningful intelligent and passionate **American Magazine** ,1919 **Pedagogical Love in Adult**

**Education** Elisabeth Vanderheiden,Claude-Hélène Mayer,Ana Maria F. Barcelos,2025-04-30 This volume explores the concept of pedagogical love highlighting its role as a transformative force across diverse educational contexts historical developments and its integration into educational systems It provides both theoretical insights and methodological approaches to pedagogical love The book opens with foundational chapters introducing the concept and progresses to situating it within frameworks such as decolonisation and critical pedagogy It further examines its potential in teacher education addressing specific pedagogical domains such as second language acquisition and literacy as well as cultural contexts spanning Asia Europe Africa and the Americas Moreover the book investigates the implications of pedagogical love in current transformations and digitalisation with particular attention to fully digital environments and artificial intelligence By offering a comprehensive overview and presenting innovative perspectives for research in adult education this book serves as an essential resource for researchers educators and practitioners This edited collection delves into the transformative power of pedagogical love in adult education challenging conventional views of love as merely soft and personal By exploring critical and decolonial perspectives the book opens new avenues for research and practice advocating for love as a profound ethical and political force to confront social injustices and transform educational spaces Bridging critical and decolonial approaches this volume reimagines pedagogical love as a key to transformation in adult education It moves beyond sentimental notions to show how love can address challenges like violence colonialism and social inequity offering a renewed perspective on love s role in shaping the future of education Michalinos Zembylas Open University of Cyprus Pedagogical love is the root and foundation of all adult education Kaarina M tt Professor emerita University of Lapland The Geographic Revolution in Early America Martin Brückner,2012-12-01 The rapid rise in popularity of maps and geography handbooks in the eighteenth century ushered in a new geographic literacy among nonelite Americans In a pathbreaking and richly illustrated examination of this transformation Martin Br ckner argues that geographic literacy as it

was played out in popular literary genres written for example by William Byrd George Washington Thomas Jefferson Royall Tyler Charles Brockden Brown Meriwether Lewis and William Clark significantly influenced the formation of identity in America from the 1680s to the 1820s Drawing on historical geography cartography literary history and material culture Br ckner recovers a vibrant culture of geography consisting of property plats and surveying manuals decorative wall maps and school geographies the nation s first atlases and sentimental objects such as needlework samplers By showing how this geographic revolution affected the production of literature Br ckner demonstrates that the internalization of geography as a kind of language helped shape the literary construction of the modern American subject Empirically rich and provocative in its readings *The Geographic Revolution in Early America* proposes a new geographical basis for Anglo Americans understanding of their character and its expression in pedagogical and literary terms The British Journal of Photography William Crookes,T.
