Low Fat Love Expanded Anniversary Edition Social Fictions:

Low-Fat Love Patricia Leavy, 2015-02-27 *Low Fat Love* unfolds over three seasons as Prilly Greene and Janice Goldwyn adversarial editors at a New York press experience personal change relating to the men and absence of women in their lives. Ultimately each woman is pushed to confront her own image of herself exploring her insecurities the stagnation in her life and her reasons for having settled for low fat love. Along with Prilly and Janice the cast of characters stories are interwoven throughout the book. *Low Fat Love* is underscored with a commentary about female identity building and self acceptance and how too often women become trapped in limited visions of themselves. Women's media is used as a signpost throughout the book in order to make visible the context in which women come to think of themselves as well as the men and women in their lives. In this respect *Low Fat Love* offers a critical commentary about popular culture and the social construction of femininity. Grounded in a decade of interview research with young women and written in a fun chick lit voice the novel can be read for pleasure or used as supplemental reading in a variety of courses in women's gender studies sociology psychology popular culture media studies communication qualitative research and arts based research. Sometimes when I read an especially wonderful book I say to myself I wish I had written that. And that is how I feel about *Low Fat Love*. To write a page turner of a book that teaches about contemporary gender relationships is a major feat. Patricia Leavy has done that with *Low Fat Love*. Brilliant! Laurel Richardson Ph D The Ohio State University Patricia Leavy writes with passion verve and skill. I will use this in my relational communication and women's studies classes because it is beautiful relatable and offers smart critique of how pop culture's expectations for intimate relationships often let us down. Leavy offers readers a way to think through their close relationships and demand better of themselves and others. Sandra L Faulkner Ph D Bowling Green State University I couldn't put it down. *Low Fat Love* is a remarkable novel that every women's studies class and interpersonal class would do well to read. The title is indicative of the search for meaningful deep enriching relationships beyond the artificial low fat love that is all too pervasive in society today. I wholeheartedly recommend this book. Robin Patric Clair Ph D Purdue University *Low Fat Love* is absolutely brilliant. This new edition is a must read for anyone who has lived loved dreamed and at times settled for less than what we deserve. In other words this is a book for everyone. Anne Harris Ph D Monash University and Australian Research Fellow in Creativity and Arts in Education Patricia Leavy Ph D is an internationally known independent scholar and novelist. She has published eighteen books including *Method Meets Art: Arts Based Research Practice and Fiction as a Research Practice*. She was named the 2010 New England Sociologist of the Year by the New England Sociological Association and received the prestigious 2014 Special Achievement Award from the American Creativity Association. www.patricialeavy.com *Low-Fat Love* Patricia Leavy, 2015 **Handbook of Arts-Based Research** Patricia Leavy, 2025-01-29 The first methods handbook devoted solely to arts based research ABR is now in a thoroughly updated second edition featuring a new section on global perspectives plus new chapters on critical approaches and documentary film. Teaching and Learning Like a Feminist Elizabeth Mackinlay, 2016-11-25 Teaching and Learning Like a Feminist is a conversation between academics in Women's Studies and Gender Studies about the politics of pedagogy in higher education What does it mean to embody feminism in universities today Written in a creative narrative style Mackinlay explores the discursive material and affective dimensions of what it might mean to live the personal as political as performative in our work as teachers and learners in the contemporary climate of neo liberal universities This book is both theory and story and aims to bring feminist theorists such as Virginia Woolf Hélène Cixous Sara Ahmed and bell hooks together in conversation with Mackinlay's own experiences and those of women she interviewed in their diverse roles as feminist academic subjects The fluid writing style presented is a deliberate attempt to enact a post academic form of literature and is playfully punctuated by black and white drawings Teaching and Learning Like a Feminist captures the precarious position of Women and Gender Studies in universities today as well as the danger inherent in grounding teaching and learning work in feminist politics Mackinlay wraps herself in both and invites us to do the same This book is designed to stimulate reflection and lively class discussion and is appropriate for courses in curriculum studies and pedagogy education feminism and feminist theory gender and women's studies and narrative inquiry It can also be read by individual teachers and researchers interested in feminism Mackinlay re envisages how feminist knowledge can be articulated through her audacious and engaging mix of reflection analysis narrative poetry

and line drawings This is a refreshingly personal and powerfully collective analysis of doing feminism in hostile institutions It will give heart to many Alison Bartlett The University of Western Australia Perth This highly readable book is a love story about feminism at the same time as a rigorous investigation a must read for undergraduate students and for scholars who don't identify as feminist core reading for gender courses at all levels and mandatory reading for feminist and gender academics Julie White Victoria University Elizabeth Mackinlay is an Associate Professor in the School of Education at the University of Queensland div div div **Low-Fat Love** Patricia Leavy, 2012-01-01 Low Fat Love unfolds over three seasons as Prilly Greene and Janice Goldwyn adversarial editors at a New York press experience personal change relating to the men and absence of women in their lives Ultimately each woman is pushed to confront her own image of herself exploring her insecurities the stagnation in her life and her reasons for having settled for low fat love Along with Prilly and Janice a cast of offbeat characters stories are interwoven throughout the book Low Fat Love is underscored with a commentary about female identity building and self acceptance and how too often women become trapped in limited visions of themselves Women's media is used as a signpost throughout the book in order to make visible the context in which women come to think of themselves as well as the men and women in their lives In this respect Low Fat Love offers a critical commentary about popular culture and the social construction of femininity Grounded in a decade of interview research with young women and written in a fun chick lit voice the novel can be read for pleasure or used as supplemental reading in a variety of social science or women's gender studies courses as well as courses in popular culture qualitative research or arts based research

Questions in Qualitative Social Justice Research in Multicultural Contexts Anna CohenMiller, Nettie Boivin, 2021-10-26 Questions in Qualitative Social Justice Research in Multicultural Contexts take readers on an accessible and inspiring journey to critically self reflect on current or future research practices to encourage and facilitate greater equity inclusion and social justice in qualitative research In a diverse world doing qualitative research needs unpacking and developing awareness of interconnected perspectives and challenges However as researchers there is not always a chance to fully prepare or self reflect on the processes and experiences This book raises awareness of key multidimensional aspects of social justice such as power privilege trust insider outsiderhood ethics arts based co produced and decolonial research The authors connect theory and conceptual constructs with practical in field realities guiding researchers through the dynamic evolving steps to give voice to and promote social justice practices in research The book includes the following features to guide thinking for researchers and students Bolded key terms and questions for self reflection Boxed case studies from both top international scholars and emerging scholars Glossary of key terms This foundational book can be used as a jumping off point to engage and critically self reflect about research moving us towards decolonizing research practice creating more inclusive equitable and socially just research It will be suitable for upper level and postgraduate students and all researchers interested in qualitative methods in education and the social and behavioral sciences **If the Truth Be Told** Ronald J.

Pelias, 2016-02-10 *If the Truth Be Told: Accounts in Literary Forms* plays with the sense of truth. It is composed of six chapters: Childhood Dangers, Relational Logics, Jesus Chronicles, Criminal Tales, Aging, Illness, and Death Lessons, and Telling Truths. Each chapter includes fictional and nonfictional accounts including poems, stories, monologues, short dramas, essays, creative nonfiction, and mixed genres to address each chapter's subject. Pieces are based on the author's personal experiences, newspapers' accounts, and purely fictional accounts, all revealed in an appendix at the end of the book. Moving through the book from beginning to end, readers may or may not know whether they are reading a nonfictional or fictional text. Pelias intentionally subverts assumptions readers may have in reading the different pieces in order to blur the boundaries of what counts as evidence, what might be accepted as truth, what might be of use in everyday lives. In this vein, Pelias invites readers to consider what they value and why. As an engaging compilation of literary works, this book can be read by anyone simply for pleasure. *If the Truth Be Told* can also be used in any number of college courses in communication, creative writing, cultural studies, ethics, narrative inquiry, philosophy, psychology, sociology, and qualitative inquiry. The book includes an extensive appendix with general and chapter-by-chapter discussion questions. If the truth be told, I'd confess that I found myself in many of the stories he told. I anticipate that other readers will as well, and we'll all be better for it. *If the Truth Be Told* solidifies Pelias's standing as a wise and creative writer par excellence. Carolyn Ellis, University of South Florida. For anyone interested in learning how to poetically and creatively capture the human experience, *If the Truth be Told* is a must read. Each tale richly satisfies yet whets the desire for more; the only solution is to keep reading right through to the end. Lesa Lockford, Bowling Green State University. Ronald J. Pelias has spent his career working with the fusion of performance, literature, and qualitative methods in an ongoing search for truths that provide momentary places of rest.

Arts-Based Research Methods in Writing Studies Kate Hanzalik, 2021-02-09 As the arts become an increasingly popular pedagogical tool in writing studies, *Arts-Based Research Methods in Writing Studies* offers scholars and educators in the field ways to leverage the arts for their own scholarship through the practice of arts-based research (ABR). Tailored to the needs of writing studies scholars, this concise guide presents ways of exploring and addressing unresolved research questions from the past as well as new pressing questions that are emerging in light of increasingly fraught and complicated current contexts. It explores motives and methods for taking up ABR, sheds light on the processes of representing research, and the ethical imperative of methodological disclosure, and looks critically at the complexities of fully realizing ABR in writing studies while offering some pedagogical applications. Connecting theory to practice, this book also performs ABR through a co-created mixed-media text about the everyday and extraordinary stories woven into the fabric of new American artists' composing processes. *Arts-Based Research Methods in Writing Studies* lends itself to insight that is at once personal for writing studies researchers, useful for research communities, and a catalyst for social change beyond institutional walls; as such, it will be an important resource for scholars, educators, and graduate students in writing studies and those interested in multimodal, multilingual, and translingual
