Eaglesham,2025-03-03 First published in 1956 From School Board to Local Authority is a meticulous and exact inquiry into
the events which led up to the famous Cockerton v The School Board for London case It suggests that the reorganization of
the education system in 1902 was not primarily the result of an unexpected legal decision in Cockerton Judgement rather
was the outcome of a deliberate policy evolved by Morant and Gorst aimed at ending the administrative confusion which then
existed The book is based mainly on the material found on the files of the Education Department the Science and Art
Department and the Local Government Board It further reveals the administrative confusion and jealousies of these
