- I get knowledge and understanding integrative thinking.
- The integrative person is not only a person, it is a person who understands and knows others, who is the part of it is justice and understanding. I believe that integrative persons are those who are not separated.
- I have not integrated, but will continue to do so, because I believe that only integrative persons can understand and progress with integrative thinking.
- I believe that I have used and understood the story, the story, the story, and the story.
