

A photograph of three students in a workshop setting. Two students, a man and a woman, are wearing blue lab coats and safety glasses. They are focused on a small, black, two-wheeled robotic car on a workbench. The man is using a soldering iron to work on the car's internal components. The woman is holding a small electronic component. In the background, another student is visible, and the workshop is filled with various tools, equipment, and project materials.
