Hunger Games Curriculum Guide:

The Hunger Games Mary Elizabeth, 2014-03 To be used as a teaching guide for *The Hunger Games* this Challenging Level Teaching Guide focuses on a variety of reading strategies that can help students construct meaning from their experience with literature as well as make connections between reading and the rest of their lives The Challenging Level offers literature grouped by strands Community Strand and Journey Strand While no work of literature has only one theme or strand these groupings provide a reference to focus student attention Each chapter analysis includes Journal and Discussion Topics Vocabulary and Chapter Summaries Other features include Strategy Pages Testing and the Writer s Forum Each book contains an answer key **The Hunger Games Novel Units Teacher Guide** Linda Herman, Novel Units, 2019-07-15

Presents resources for teaching *The Hunger Games* in which sixteen year old Katniss Everdeen becomes a contender in the annual Hunger Games a competition where young boys and girls are pitted against one another in a televised fight to the death including a summary a profile of the author pre reading and culminating activities and vocabulary exercises and discussion questions *Collecting for the Curriculum* Amy J. Catalano, 2015-09-28 If you re a librarian charged with collecting curriculum materials and children s literature to support the Common Core State Standards then this book the only one that offers explicit advice on collection development in curriculum collections is for you While there are many publications on the Common Core for school librarians and K 12 educators no such literature exists for curriculum librarians at the post secondary level This book fills that gap standing alone as a guide to collection development for curriculum librarians independent of the Common Core State Standards CCSS The book provides instruction and guidance to curriculum librarians who acquire and manage collections so you can develop a collection based on best practices The book begins with a primer on the CCSS and how curriculum librarians can support them Discussion of the Standards is then woven through chapters arranged by content area that share research based practices in curriculum development and instruction to guide you in curriculum selection Material types covered include games textbooks children s literature primary sources counseling and nonfiction Additional chapters cover the management of curriculum collections testing collections and instruction and reference as well as how to support and collect for special needs learners Current practices in collection development for curriculum materials librarians are also reviewed The book closes with a discussion of the future of curriculum materials

Hunger Games Stacy Littleton, Catherine Caldwell, 2011 *The Handbook of Secondary Gifted Education* Felicia A. Dixon, Sidney M. Moon, 2021-09-03 The second edition of this groundbreaking textbook is designed to help education professionals interested in building effective and comprehensive educational opportunities for gifted secondary students The Handbook of Secondary Gifted Education offers an in depth research based look at ways schools and classrooms can support the development of gifted adolescents The book is the most comprehensive critical resource on this topic available Each chapter of this educational resource is written by leading scholars and researchers in the field The second edition includes

sections on STEM CCSS alignment and 21st century skills along with discussion of working with secondary students in various content areas The purpose of the book is to provide a research based handbook that views gifted adolescents and their needs as the starting point for building an effective integrated educational program
