**Ornithologies of Desire** Travis V. Mason, 2013-09-03  
 Ornithologies of Desire develops ecocritical reading strategies that engage scientific texts field guides and observation Focusing on poetry about birds and birdwatching this book argues that attending to specific details about the physical world when reading environmentally conscious poetry invites a critical humility in the face of environmental crises and evolutionary history The poetry and poetics of Don McKay provide Ornithologies of Desire with its primary subject matter which is predicated on attention to ornithological knowledge and avian metaphors This focus on birds enables a consideration of more broadly ecological relations and concerns since an awareness of birds in their habitats insists on awareness of plants insects mammals rocks and all else that constitutes place The book's chapters are organized according to apparatus that is science as ecocritical tool flight and song Reading McKay's work alongside ecology and ornithology through flight and birdsong both challenges assumptions regarding humans place in the earth system and celebrates the sheer virtuosity of lyric poetry rich with associative as well as scientific details The resulting chapters interchapter and concordance of birds that appear in McKay's poetry encourage amateurs and specialists birdwatchers and poetry readers to reconsider birds in English literature on the page and in the field

**On a Silver Platter** Greg M. Smith, 1999 When the new medium of CD ROMs emerged industry figures and critics alike proclaimed their virtually unlimited potential Adapting material from well established media like television and film CD ROMs have quickly transformed genres such as science fiction and horror At the same time the realities of actual CD ROMs often fall short of their utopian visions On a Silver Platter marks a coming of age for CD ROMs as a commercially and aesthetically significant medium demanding critical attention Greg Smith brings together media scholars such as Lisa Cartwright Henry Jenkins Janet Murray and Scott Bukatman to analyze how CD ROMs offer alternatives to familiar places to museums to cities and especially to classrooms Examining specific CD ROM titles including Sim City Civilization and Phantasmagoria the contributors argue that CD ROMs are complex texts worthy of close consideration both for how they have changed our understanding of space and genre and for how they will impact the development of future media By examining particular CD ROM texts and contexts On a Silver Platter probes this new medium for insight and understanding into the current state of multimedia and into the future of technology

Python beyond Python Paul N. Reinsch, B. Lynn Whitfield, Robert G.
