

STEP ONE

Find all the envelopes and answer a Book of Mormon trivia question before you can open the envelope.

STEP TWO

In the envelope, you'll find a treasure card. Read the scripture and guess what character trait we learn from that scripture hero.

STEP THREE

Keep your own record of the priceless treasures of knowledge and examples of great character.

BOOK OF MORMON TREASURE HUNT

Learn about a few priceless treasures of knowledge

OPTIONAL IDEA INCLUDED:
Missionary Object Lesson

Mormon Treasure Hunt

Victor M. Corman

Mormon Treasure Hunt:

The Mormon Faith of Mitt Romney Andrew Jackson, 2012-01-18 In this timely book the author uncovers the history teachings and practices of the Latter day Saints compares them to evangelical Christian beliefs and challenges former Massachusetts governor and presidential candidate Mitt Romney to be open and transparent about his beliefs and its implications if he is elected president The Millenarian World of Early Mormonism Grant Underwood, 1999-01-15 Shows how early LDS interpretation of the Bible and the Book of Mormon affected and was affected by Mormon millennial doctrines

Modern Polygamy and Mormon Fundamentalism Brian C. Hales, 2006-01-01 2007 Best Book Award John Whitmer Historical Association Under the subject of alternative lifestyles the issue of polygamous relationships falls squarely in the middle of the debate Polygamous marriages are a common practice in many other countries but the United States has vehemently opposed such unions and will no doubt find itself disputing its position on them again in the near future As with the same sex marriage issue a firestorm of controversy surrounds the question since the right to participate in a polygamous union is very much tied to the right to live out one's preferences religious or not Detailed accounts of sexual abuse and child brides are frequently leaked from the various polygamous societies notwithstanding their extreme efforts to remain under the radar of law enforcement and the press A by product of these mysterious societies is that public interest is vitalized by their continuous efforts to gain independence from traditionalist culture This fascinating study seeks to trace the historical tapestry that is early Mormon polygamy details the official discontinuation of the practice by the Church and for the first time describes the many zeal driven organizations that arose in the wake of that decision Among the polygamous groups discussed are the LeBaronites whose blood atonement killings sent fear throughout Mormon communities in the late seventies and the eighties the FLDS Church which made news recently over its construction of a compound and temple in Texas and Warren Jeffs arrest and conviction and the Allred and Kingston groups two major factions with substantial membership statistics both in and out of the United States All these fascinating histories along with those of the smaller independent groups are examined and explained in a way that all can appreciate **Mormon History** Ronald Warren Walker, David J.

Whittaker, James B. Allen, 2001 *Volume 1 Family and Mormon Church Roots: Colonial Period to 1820* JOHN J HAMMOND, 2011-07-27 This is the first volume of a multi volume work entitled The Quest for the New Jerusalem Mormon Generational Saga and it ends with a listing of the titles of all sixteen volumes in this series which have been written to this point Before discussing the first volume it is necessary to describe the entire series Around the year 2000 the author began a thorough investigation of his genealogical roots and to his surprise discovered that many of his ancestors had played significant roles in the early history of America and central roles in the history of Mormonism Wherever he looked his ancestors were there during the colonial King Phillip's and French and Indian Wars in New England at the Battle of Bunker actually Breed's Hill and on a prison ship for two years on the Hudson River during the American Revolution on whaling

ships in the south Atlantic and northern Pacific during the 1840s at Mormon Kirtland Far West and Nauvoo during the turbulent and often bloody events of the 1830s and 1840s in the earliest Mormon experiments with polygamy almost all of the author's ancestors were polygamists in San Francisco and Sacramento during the earliest stages of the California Gold Rush in the immigrant ships filled with Mormon converts crossing the Atlantic in the wagon trains carrying the saints across the plains to Salt Lake City during the establishment of the Mormon Church in Hawaii in the early 1850s in the first halting steps toward elementary and higher education in Utah during the Mormon War with the U S army in Utah in 1857-58 in the operation of the early Salt Lake Theater in the building of the transcontinental railroad across Utah in 1869 in the settlement of the wild four corners area during the 1880s and 1890s in the rather secret and somewhat underhanded process by which Utah became a state and in the pioneer settlement of southern Idaho in the early 1900s The author felt impelled to tell these wonderful ancestral stories and it became obvious that this could not be done without giving an account of the history of the Mormon Church the two subjects were intimately interwoven Furthermore telling the linked ancestral Mormon story beginning in the American colonial period could not be adequately undertaken without giving an account of significant events in the larger American story In recent years a number of writers have given us fascinating generational family stories Alex Haley's *Roots* is a well known example Haley traced his African American family all the way back to a slave taken from a village in Africa In 1991 Chinese American Jung Chang's *In her Wild Swans Three Daughters of China* told a wonderful story of three generations of Chinese women her great grandmother grandmother and mother reaching back to China Adele Logan Alexander's *Homelands and Waterways The American Journey of the Bond Family* is an account of several generations of the author's African American family Concerning another example James Fox's *The Langhorne of Virginia* reviewer Robert Skidelsky wrote It was a clever idea to use family history to write about social and political history What Fox does is to use the Langhorne sisters as a peg on which to hang the story of the decline of the British aristocracy or Empire or both John Hammond's multi volume *Mormon Generational Saga* evolved into something very similar to Fox's but he utilizes family history to write about religious as well as social and political history In fact what has emerged is a very detailed examination of the early history of the Mormon Church with a special focus upon how that history affected his ancestors The series opens in the earliest years of colonial New England with an account of four of the author's ancestral families and the early lives and ancestors

Treasure Hunt Rizwan Virk, 2017-10-17 A Silicon Valley entrepreneur shares his off beat tips for success in business and life so you can get to the real treasure of the work you were meant to do Have you ever wished you had a wise mentor who could tell you where to go next in your career or your life Do you want an Obi Wan Kenobi type figure to guide you toward the right people and the right places While he may not wield a light saber Rizwan Virk a Silicon Valley entrepreneur and investor has plenty of tips and tricks that can help you achieve the success happiness and fulfillment you crave In *Treasure Hunt* Virk reveals how you can tune into the messages that are all around us These messages which take

the form of synchronicity hunches gut feelings visions experiences of d j vu bodily sensations and more are like clues in our own personal Treasure Hunt Whether these clues come from our inner mentor our future selves or our spiritual guides they can help us to uncover our hidden Treasure Map which shows us the work we were meant to do in this life and how to get there Virk also introduces the Clue Lifecycle and how using it can provide concrete guidance in our personal lives jobs career decisions and investments Turn your career into a Treasure Hunt and find true meaningful success in the business and spiritual worlds

VOLUME II THE CREATION OF MORMONISM: JOSEPH SMITH JR. IN THE 1820S JOHN J HAMMOND, 2011-07-27 This is Volume II of an epic multi volume work entitled The Quest for the New Jerusalem A Mormon Generational Saga which combines family Mormon and American history focusing upon how the author s ancestors were affected by their conversion to the Mormon religion In Volume I four of the author s ancestral families the Carters Hammonds Knowltons and Spencer s and the ancestors of Mormon Church founders Joseph Smith and Brigham Young are followed from the time they enter the Massachusetts Bay Colony in New England in the 1600s down to the early 1800s Their private lives are described as well as how they are affected by such events and situations as King Philip s War the Salem Witch Trials the institution of black slavery the French and Indian War and the American Revolution Toward the end of Volume I the focus is upon Joseph Smith and his family including their move from Vermont to western New York their religious and magic world views the latter involving astrology ritual magic and treasure seer and treasure digging activities Volume II takes up the narrative at about the year 1820 and involves a detailed comprehensive and critical look at the events in the life of Joseph Smith Jr during the decade in which he purportedly was visited by numerous heavenly messengers received the golden plates translated the writing on the plates to produce the Book of Mormon received priesthood authority from other heavenly messengers published the Book of Mormon and organized the Mormon LDS Church Making use of the most recent historical research the author tackles the controversial issues surrounding the First Vision the supposed appearance to Joseph Jr of God the Father and his Son Jesus Christ in 1820 the Second Vision 1823 to 1827 which produced the Book of Mormon and the Third Vision late 1820s or early 1830s which involved the restoration of priesthood authority The author looks at original sources documents and also compares the perspectives of major loyal Mormon non Mormon and ex Mormon scholars on these controversial questions There is a discussion of the serious lack of congruence between how Joseph Smith Jr described these events officially after 1837 and what was being said by the Smith family their neighbors early Mormon converts and by newspaper accounts during the 1820s and early 1830s There is for example no mention of a First Vision for at least twelve years after it supposedly occurred and there are several conflicting versions of it by Joseph Jr in the 1830s once he started talking about it Primary focus however is upon what the author collectively calls the Second Vision which purportedly involved multiple visitations by an angel spirit between 1823 and 1827 It was from this heavenly messenger that Joseph Jr obtained golden plates and the Book of Mormon was he maintained a translation by him of the

ancient American writings on these plates There is a thorough examination of the complex and contentious issues surrounding the origin of the Book of Mormon and several chapters look closely at the evidence regarding its authenticity the question whether it was written by Joseph Jr or by ancient American prophets scribes The author also thoroughly discusses the testimony in the Book of Mormon of the Three Witnesses and Eight Witnesses and offers an alternative narrative regarding what really transpired with Joseph Jr during the 1820s Later in Volume II several chapters look at how Mormon Church organization went through a significant evolution during its earliest years moving against the American democratic grain toward an increasingly centralized authoritarian structure There is a detailed look at Joseph Jr s claims regarding a restoration of priesthood authority during the late 1820s and early 1830s and the considerable controversy *Mormon Crises* James A Beverley,2013-03-12 Mitt Romney s run for President of the United States and the recent success of the Broadway play Book of Mormon has created enormous interest in the Church of Jesus Christ of Latter day Saints In spite of enormous media focus during this so called Mormon Moment coverage has been often shallow and misleading even from the LDS Church Few reporters dug deep enough to deal with the evidence that the Mormon Church is in a deep crisis not only because of members leaving but because of increasing proof of lies fraud false teaching and criminality at the start of Mormonism In *Mormon Crisis* Jim Beverley deals with major issues about Joseph Smith the first LDS prophet He provides a sustained critique of Mormon Scripture examines flaws in the LDS understanding of Church leadership and probes unique doctrines and practices including the secret temple ceremonies The book offers a serious indictment of the LDS belief system but also presents a way out of the current crisis facing one of America s most famous and controversial religions

Latter-gay Saints Gerald S. Argetsinger,Jeff Laver,Johnny Townsend,2013 *Latter Gay Saints* brings together twenty five exemplary short works depicting a variety of perspectives of what it means to be both Mormon and queer Some portray characters determined to reconcile their sexuality with the Mormon faith in accordance with its constantly evolving teachings and policies The majority present the realities of queer Mormons who have come to terms with their sexuality in a variety of alternative ways Others are written from outside the Mormon community commenting on often strange encounters with Mormons who are gay These stories are also of value for the broader GLBT community revealing similarities that people of faith regardless of which faith face in attempting to negotiate their religious heritage with their homosexuality Some in the GLBT community find a way while others do not leaving their faith or having it ripped from them They are all individuals searching for answers to life s puzzles **In Mormon Circles** J Coates,1992-06-20 **Secrets of the Widow's Son** David A. Shugarts,2009-11 *Secrets of the Widow s Son* is a revealing look at the themes that will be explored in *The Solomon Key* Dan Brown s upcoming sequel to the cultural phenomenon known as *The Da Vinci Code* David A Shugarts provides what Browns widespread admirers crave most an enlightening glimpse into the secrets behind Brown s eagerly anticipated new book *Secrets of the Widow s Son* is not a plot spoiler rather it is an engaging piece of work that will pique readers interest in

The Solomon Key while laying the groundwork for the theories to be explored in Brown's can't miss sequel *No Man Knows My History* Fawn M. Brodie, 1995-08-01 The first paperback edition of the classic biography of the founder of the Mormon church this book attempts to answer the questions that continue to surround Joseph Smith Was he a genuine prophet or a gifted fabulist who became enthralled by the products of his imagination and ended up being martyred for them 24 pages of photos Map **Early Mormon Documents** Dan Vogel, 1996 This multi volume collection of over 450 documents offers readers access to the primary written and printed sources relating to Mormon origins in Vermont New Hampshire New York and Pennsylvania As such it is essentially a documentary history of the Joseph Smith Sr family and the infant Church of Christ later The Church of Jesus Christ of Latter day Saints beginning with the early lives of Joseph Smith Sr and Lucy Mack Smith and ending with Joseph Smith Jr's move to Ohio in January 1831 and removal of most of the church later that spring Intro vol 1 p xi Joseph Smith and the Beginnings of Mormonism Richard L. Bushman, 1987-01-15 The core of Mormon belief was a conviction about actual events The test of faith was not adherence to a certain confession of faith but belief that Christ was resurrected that Joseph Smith saw God that the Book of Mormon was true history and not philosophy and that Peter James and John restored the apostleships *New World Witchery* Cory Thomas Hutcheson, 2021-04-08 Explore Nearly 500 Samples of Folk Magic Stories Artifacts Rituals and Beliefs One of the most comprehensive collections of witchcraft and folk magic ever written New World Witchery shows you how to integrate folk traditions into your life and deepen your understanding of magic Folklore expert Cory Thomas Hutcheson guides you to the crossroads of folk magic where you'll learn about different practices and try them for yourself This treasure trove of witchery features an enormous collection of stories artifacts rituals and traditions Explore chapters on magical heritage divination familiars magical protection and spirit communication Discover the secrets of flying gathering and creating magical supplies living by the moon working contemporary folk magic and more This book also provides brief profiles of significant folk magicians healers and seers so you can both meet the practitioners and experience their craft With New World Witchery you'll create a unique roadmap to the folk magic all around you *Mr. Splitfoot* Samantha Hunt, 2016-01-05 The strange odysseys of two young women animate this hypnotic and glowing American gothic novel that blurs the line between the real and the supernatural Gregory Maguire The New York Times Book Review A New York Times Editors Choice A Paris Review Staff Pick Ruth and Nat are seventeen They are orphans living at The Love of Christ Foster Home in upstate New York And they may be able to talk to the dead Enter Mr Bell a con man with mystical interests who knows an opportunity when he sees one Together they embark on an unexpected journey that connects meteor sites utopian communities lost mothers and a scar that maps its way across Ruth's face Decades later Ruth visits her niece Cora But while Ruth used to speak to the dead she now doesn't speak at all Even so she leads Cora on a mysterious mission that involves crossing the entire state of New York on foot Where is she taking them And who or what is hidden in the woods at the end of the road A gripping novel The narratives which twist

together into a shocking d nouement are marked by ghost stories The New Yorker **Mormonism-shadow Or Reality?**
Jerald Tanner,Sandra Tanner,1987 **Murder on the Common** Christopher Jon Luke Dowgin,2020-04-06 The immortal
Henry Sinclair goes on another journey to solve the most famous murder of the nineteenth century within the Witch City
Captain Joseph White is bashed on the head and stabbed 13 times with two daggers but there is no blood on his sheets He is
murdered on the same day as Joseph Smith founds the Mormon Church amidst the formation of the Anti Masonic Party
Sinclair will go against the power brokers in Washington who call Salem home to protect his Templar treasures he brought to
America from Scotland a 100 years before Columbus The powers of the Illuminati and Lovecraftian dark magic threaten him
from solving the murder as oriental vampires and a plague of opium hits the shores of Salem Prince Henry Sinclair is the
creator of the Money Pit on Oak Island and the murder led to the Parker Brothers shaping their game Clue *Mormonism*
James E. Hunt,1844 **Mormon and Asian American Model Minority Discourses in News and Popular Magazines**
Chiung Hwang Chen,2004 Chen international cultural studies Brigham Young U chose to study magazine depictions of the
seemingly disparate groups Mormons and Asian Americans because she is a member of each
