Essential Catholic Survival Guide:

The Essential Catholic Survival Guide Catholic Answers, 2006-02 Every Catholic will come face to face with anti Catholic attacks that are launched against the Faith Don't you owe it to yourself to make sure you have the very best in apologetic resources right at your fingertips There's no better time to arm yourself with what we consider a must for every Catholic's home library The Essential Catholic Survival Guide By compiling seventy of our best apologetic tracts into one cohesive comprehensive book that can be used by anyone anytime anywhere to defend the Catholic faith we've created what many consider the go to resource when it comes to answering questions about the Faith Topics include The Church and the papacy Scripture and Tradition Mary and the saints The sacraments Salvation Last things Morality and science Anti Catholicism Non Catholic churches and movements Practical apologetics

Cross-Examined: Catholic Responses to the World's Questions Fr. Carter Griffin, 2021-08-16 While social norms and political movements are rapidly changing the truth of the Catholic faith stands firm In Cross Examined Catholic Responses to the World's Questions readers are equipped to address even the most sensitive topics from the existence of God to the existence of hell from women's ordination to Marian devotion from assisted suicide to transgenderism In Cross Examined Fr Carter Griffin begins each discussion not with Catholic teaching but rather with its most common objections Articulating these objections serves several purposes First it helps Catholics to respect those who do not share their beliefs by identifying intelligent grounds for disagreement Pointing out objections also helps believers respond more persuasively in discussions with non Catholic friends Perhaps most importantly knowing the common objections instills confidence that the Church is committed to the truth and unafraid to engage with those who dispute her teaching After identifying principal objections each discussion continues with a brief summary of relevant Catholic teaching and then responds to each objection in turn In our shrill age that seems ever less capable of rational discourse the method used in Cross Examined can offer a way to remain faithful to our beliefs while acknowledging respecting and responding to alternative points of view

Double Standard David F. Pierre, David F. Pierre, Jr., 2013-05-22 Yes Catholic priests terribly abused minors and bishops failed to stop the unspeakable harm That is an undeniable truth Nothing justifies such an evil However major media outlets are unfairly attacking the Catholic Church and this fast paced compelling book has the shocking evidence to prove it This book addresses numerous topics including appalling cases of abuse and cover ups happening today but they're not happening in the Catholic Church proof that Catholic clergy do not offend more than teachers or those of other religious denominations data that shows that the Catholic clergy scandal is not about pedophilia affirmation that the Catholic Church may be the safest environment for children today research that uncovers the shady relationships between SNAP Survivors Network of Those Abused by Priests lawyers and the media the alarming roots of SNAP's attacks on the Church the surprising truth about repressed memories unheard agonized priests who deny the accusations against them evidence of how the documentary Deliver Us From Evil deceived moviegoers plus
