Religion, colonisation et décolonisation au Congo, 1885-1960 Vincent Viaene, Bram Cleys, Jan De Maeyer, 2020-10-30 Religion in today's Democratic Republic of Congo has many faces from the overflowing seminaries and Marian shrines of the Catholic Church to the Islamic brotherhoods from the healers of Kimbanguism to the televangelism of the booming Pentecostal churches in the great cities from the Orthodox communities of Kasai to the

invisible Mai Mai warriors in the brousse of Kivu During the colonial period religion was no less central to people's lives than it is today More surprisingly behind the seemingly smooth facade of missions linked closely to imperial power faith and worship were already marked by diversity and dynamism tying the Congo into broader African and global movements The contributions in this book provide insight into the multifaceted history of the interaction between religion and colonization The authors outline the institutional political framework and focus on the challenge that old and new forms of slavery entailed for the missions The atrocities committed at the time of the Congo Free State became an existential question for young Christian communities In the Belgian Congo after 1908 more structural forms of colonial violence remained a key issue marking religious experiences And yet religion also acted as a bridge The authors emphasize the role intermediaries such as catechists or medical assistants played in the African appropriation of Christianity They examine the complex interaction with indigenous religious beliefs and practices and zoom in on the part religions played in the independence movement as well as on their reaction to independence itself Coming at a moment when Belgium confronts its colonial past this volume provides a timely reassessment of religion as a key factor
