**Britannia: a Modern Guide Through the Ancient Kingdom** Glafira Regina Osypets, 2024-10-26. Delve deeper into the four kingdoms, carefully exploring each city. My book consists of 75 chapters, one for each city. Each section consists of three parts: a little preview which aims to quickly familiarize you with the city and provide the most interesting facts about it; history, the most important historical events; and of course, tourist places, the best attractions with short descriptions and bright photos. The book is suitable for everyone, an avid historian or an avid traveller. The motto that I put into my work: beauty is in the eye of the beholder. So I want to show and prove that every city in the United Kingdom, big or small, old or new, famous or not, deserves attention. Britain is beautiful in its own way. I want to teach you to see this beauty. What are you waiting for? A fantastic journey is closer than you think.
