Exploring Calvin and Hobbes Bill Watterson, Jenny E. Robb, 2015-03-10 Enjoy this beautiful companion book to the extensive Exploring Calvin and Hobbes exhibition at the Billy Ireland Cartoon Library Includes an in depth original and lengthy interview with Bill Watterson Exploring Calvin and Hobbes is the catalogue f **Let's Go Exploring** Michael Hingston, 2018-05-01 A fascinating investigation of a beloved comic strip The internet is home to impassioned debates on just about everything but there s one thing that s universally beloved Bill Watterson s comic strip Calvin and Hobbes Until its retirement in 1995 after a ten year run the strip won numerous awards and drew tens of millions of readers from all around the world The story of a boy and his best friend a stuffed tiger was a pitch perfect distillation of the joys and horrors of childhood and a celebration of imagination in its purest form In Let s Go Exploring Michael Hingston mines the strip and traces the story of Calvin s reclusive creator to demonstrate how imagination its possibilities its opportunities and ultimately its limitations helped make Calvin and Hobbes North America s last great comic strip The New Nancy Jeff Karnicky, 2023-09 In The New Nancy Jeff Karnicky explores how today s successful daily comic strips are flexible and relatable and he uses Olivia Jaimes s 2018 reboot of the long running comic strip Nancy to illustrate the ways that contemporary comics have adapted to twenty first century technology and culture Because comic creation has become part of the gig economy flexible comics must be accessible to both online and print readers and they must quickly grab readers attention Flexible comic creators like Jaimes must focus both on the work of producing comics and on building an audience Daily comics also must form a relatable connection with readers Most contemporary comic creators cultivate an online persona through which they engage readers with specific identities beliefs and expectations This work might form a mutually beneficial bond that results in a successful daily comic strip but it risks becoming fraught toxic and sometimes even dangerous Jaimes cultivates a relatable persona in connection with longtime readers and new fans Nancy finds its humor in both nostalgic objects like cookie jars and contemporary technological objects like smartphones Rebooted comic strips like Nancy directly confront the stereotypical representations that haunt the past of comics Focusing on Nancy s role in contemporary culture Karnicky uses literary studies cultural studies and media studies to argue that Jaimes s comic strip has something to say about comics contemporary culture and the intersection of the two *Mise en scène, Acting, and Space in Comics* Geraint D'Arcy, 2020-07-31 This book explores some of the less frequently questioned ideas which underpin comics creation and criticism Mise en scène is a term which refers to the way in which visual elements work together to create meaning in comics It is a term that comics have borrowed from cinema which borrowed it in turn from theatre But comics are not film and they are not cinema so how can this term be of any use If we consider comics to have mise en scène should not we also ask if the characters in comics act like the characters on film and stage In its exploration of these ideas this book also asks what film and theatre can learn from comics Comics und Graphic Novels Julia Abel, Christian Klein, 2016-03-29
