Competence, Presence, Trust, and Hyperpersonal-ness B. C.

Bouchillon, 2022-01-28 As the U S population has increasingly withdrawn into itself Competence Presence Trust and Hyperpersonal ness considers the importance of communication technology for helping citizens become socially proficient in ways that transcend digital and physical environments Experiencing computer based social platforms as realistic and intimate allows networked social competence to add to interpersonal competence Bouchillon argues Trust is shown to benefit and during the COVID 19 pandemic he demonstrates that socially distanced individuals replicated their interpersonal lives using technology and increased their social competence by doing so Results suggest that society has reached the moment of hyperpersonal ness with computer based social capabilities and feelings of presence being used to develop interpersonal competence and social capital even in seclusion

Leadership Styles and Spiritual Traits of Catholic Priests Rev. Fr. Francis Aning Amoah, . Industrial PhD, Organizational Psychology, 2022-07-26 Aning Amoah s Leadership Styles and Spiritual Traits of Catholic Priests explore the relationship between leadership styles transformational transactional and laissez faire

and spiritual traits self directedness SD cooperativeness CO and self transcendence ST The quantitative correlational study sampled 93 catholic priests from Ghana in active ministry The results showed a statistically significant correlation between transformational leadership and spiritual traits a nonstatistical correlation between transactional leadership and spiritual trait variables a negative statistically significant correlation between laissez faire leadership style with self directedness and cooperativeness and a positive statistically significant correlation between laissez faire leadership style and self transcendence Thus the more catholic priests provide guidance counseling teaching and shepherding among congregation as a transformational leader the more likely they will be reliable mature effective helpful compassionate and spiritual Contrary the more catholic priests become laissez faire leader the more likely they will be weak blaming ineffective emotionally unstable lacking internal organizational principles low SD self absorbed intolerant critical revengeful and self regarding low CO and absorbed in what they do spiritual and capable of adapting to situation of pain and suffering high ST **ECSM 2021**

8th European Conference on Social Media Dr Christos Karpasitis, 2021-07-01 Conference Proceedings of 8th European Conference on Social Media *Resources in Education*, 1988 *Child Development and the Use of Technology: Perspectives, Applications and Experiences* Blake, Sally, Winsor, Denise L., Allen, Lee, 2011-11-30 Children experience technology in both formal and informal settings as they grow and develop Despite research indicating the benefits of technology in early childhood education the gap between parents teachers and children continues to grow as our new generation of children enters early childhood classrooms *Child Development and the Use of Technology Perspectives Applications and Experiences* addresses major issues regarding technology for young children providing a holistic portrait of technology and early childhood education from the views of practitioners in early childhood education instructional design technology special education and mathematics and science education Consisting of fifteen chapters developed by multidisciplinary teams this book includes information advice and resources from practitioners professionals and university faculty engaged in early childhood education and instructional design technology **Entertainment Computing and Serious Games** Ralf Dörner, Stefan Göbel, Michael Kickmeier-Rust, Maic Masuch, Katharina Zweig, 2016-10-05 The aim of this book is to collect and to cluster research areas in the field of serious games and entertainment computing It provides an introduction and gives guidance for the next generation of researchers in this field The 18 papers presented in this volume together with an introduction are the outcome of a GI Dagstuhl seminar which was held at Schlo Dagstuhl in July 2015

Modern Metaphors of Christian Leadership Joshua D. Henson, 2020-01-11 This book explores contemporary metaphors of leadership from a biblical or church historical perspective It seeks to understand the cultural social and organizational metaphors from the Bible and the implications for contemporary organizations Addressing issues such as communication mentorship administration motivation change management education and coaching the authors explore concepts related to both for profit and not for profit organizations This book will be a valuable addition to the leadership

literature in showing how biblical leadership principles can be used in contemporary organizations Social Work Practice with African Americans in Urban Environments Rhonda Wells-Wilbon, 2015-09-08 The experiences of African Americans in urban communities are distinct from those of other ethnic groups and to be truly understood require an in depth appreciation of the interface between micro and macro level factors This sweeping text an outgrowth of a groundbreaking urban social work curriculum focuses exclusively on the African American experience through field education community engagement and practice It presents a framework for urban social work practice that encompasses a deep understanding of the challenges faced by this community From a perspective based on empowerment strengths resilience cultural competence and multiculturalism the book delivers proven strategies for social work practice with the urban African American population It facilitates the development of creative thinking skills and the ability to meet people where they are skills that are often necessary for true transformation to take root The book describes an overarching framework for understanding and practicing urban social work including definitions and theories that have critical implications for working with people in such communities It encompasses the contributions of African American pioneers regarding a response to such challenges as poverty oppression and racism Focusing on the theory practice and policy aspects of urban social work the book examines specific subsets of the urban African American population including children adults families and older adults It addresses the challenges of urban social work in relation to public health health and mental health substance abuse criminal justice and violence prevention Additionally the book discusses how to navigate the urban built environment and the intersection between African Americans and other diverse groups Chapters include outcome measures of effectiveness case studies review questions suggested activities and supplemental readings KEY FEATURES Fills a void in the literature on urban social work practice with African Americans Presents the outgrowth of a renowned urban curriculum field education research community engagement and practice Fulfills the requirements of the CSWE in the Educational Policy and Accreditation Standards regarding diversity Synthesizes micro mezzo and macro content in each chapter Provides contributions from African American pioneers in urban social work practice Accompanying Instructor s Manual and PowerPoint Slides
