Gang Leader for a Day Sudhir Alladi Venkatesh, 2008 Gang Leader for a Day is a gripping journey of discovery about life on the wrong side of the tracks When naive sociology student Sudhir Venkatesh went to find out more about urban poverty in Chicago the last thing he expected was to be held hostage by a gang And he never guessed that after being released he'd want to return to find out more about them ignoring everyone's advice and entering a dangerous world beyond anything he'd ever experienced In the Robert Taylor Homes projects on Chicago's South Side Sudhir befriends J.T. a gang leader for the Black Kings As their friendship grows he slowly gains J.T.'s trust until one day in order to convince Sudhir of his own CEO-like qualities J.T. makes him leader of the gang Deciding who cleans up the buildings after a party gets out of hand is one thing but what do you do when somebody needs to be punished What's more why does J.T. make his henchmen the shorties stay in school What is the difference between a regular hustler and a hype and is Peanut telling him the truth about which she is Why is Moochie sleeping with Ms Bailey the all-powerful president of the building thirty years his senior And when the FBI finally starts cracking down on the Black Kings is it time to get out or is it too late Incredibly funny and heartbreaking this is a story of one man's commitment to really crossing the line to understanding how the people he is studying live day to day What he doesn't expect is to become a part of their lives

 Sample Book Insights 1 I began walking around the Chicago neighborhoods surrounding the university which were predominantly African American I didn't see any crime and I didn't feel particularly threatened I wondered why the university kept warning students to keep out of those areas 2 I was a student at the University of Chicago and I was interested in the more scientific branch of sociology I was not impressed by the lectures so I went to see William Julius Wilson the most eminent living scholar on the subject and the most prominent African American in the field of sociology 3 I was assigned to help with a study on how black youth are affected by specific neighborhood factors such as growing up in a poor area I had no idea how to interview anyone so I went to the library to look over questionnaires 4 I would go running in Washington Park which was one of Chicago's stateliest parks I would often stop by the lagoon in the middle of the park where I would listen to the old black men play cards and fish They would never trust a white man and thought blacks were no better Study Guide SuperSummary,2019-03-09 SuperSummary a modern alternative to SparkNotes and CliffsNotes offers high quality study guides for challenging works of literature This 52 page guide for Gang Leader for a Day by Sudhir
