Ungar,2003-08 *Guilty Ann* Coulter,2009-01-06 Liberals seem to have hit upon a reverse Christ story as their belief system He suffered and died for our sins liberals make the rest of us suffer for sins we didn t commit Who are the victims here To hear liberals tell it you d think they do nothing but suffer at the hands of ruthless entities like the Republican Attack Machine and Fox News Really It s just another instance of the Big Lie of course told so often that some people have actually started to believe it In *Guilty Ann* Coulter explodes this myth to reveal that when it comes to bullying no one outdoes the Left Citing case after case ranging from the hilariously absurd to the shockingly vicious Coulter dissects these so called victims who are invariably the oppressors For instance Single mothers Getting pregnant isn t like catching the flu There are volitional acts involved someone else explain it to Dennis Kucinich By this purposeful act single mothers cause irreparable harm to other human beings their own children as countless studies on the subject make clear The myth of the Republican Attack Machine The most amazing thing liberals have done is create the myth of a compliant right wing media with Republicans badgering baffled reporters into attacking Democrats It s so mad it s brilliant It s one kind of lie to say the Holocaust occurred when the Swedes killed the Jews But it s another kind of lie entirely to say the Holocaust occurred when the Jews killed the Nazis Brave liberals In addition to being beautiful compassionate tribunes of the downtrodden liberals are brave I know that because they re always telling me how brave they are Why five nights a week MSNBC s Keith Olbermann courageously books guests who completely agree with him It doesn t get much braver than that Obambi s luck While B Hussein Obama piously condemned attacks on candidates families his media and campaign surrogates ripped open the court sealed divorce records of his two principal opponents in his Senate race in Illinois The offenders are offended Republican senator George Allen s career was destroyed when he made a joking remark to a privileged Indian American harassing him at campaign stops When did rich kids become a new protected category that must be shielded from words that are insulting in other languages How did Sidarth become a specially anointed victim What did we ever do to India And why didn t we ever hear about the far more offensive anti Semitic flyers of Allen s opponent Jim Webb One essential and recurring truth about self righteous liberals says Coulter is that they viciously attack all while wailing that they are the true victims With *Guilty* a mordantly witty and shockingly specific catalog of offenses that liberals would rather we ignore and forget Ann Coulter presents exhibits A through Z *The Chameleon President* Clarke Rountree,2011-12-13 This book paints 11 different portraits of the many faces of President George W Bush arguably the most controversial and fascinating modern American president revealing the

malleability of human motives and of Bush's motives in particular George W Bush's presidency was marred by some of the worst events in modern U S history the biggest financial crisis since the Great Depression the events of September 11 2001 the quagmire of the war in Iraq widespread fear of terrorism Hurricane Katrina and the government's delayed inefficient response and the Patriot Act which greatly increased the government's ability to access citizens private information Which of Bush's characteristics influences or internal motivations were most responsible for this polarizing President's attitudes and decisions This book presents 11 competing views of President George W Bush The Chameleon President The Curious Case of George W Bush does not endorse a particular view of Bush it is up to the reader to decide which portrayal best explains the 43rd president's surprisingly complex character as well as his political legacy The author synthesizes popular claims from various sources to provide possible explanations for Bush's seemingly contradictory characteristics Examples of the influences considered include his intelligence immaturity and religious beliefs his upbringing in West Texas his misfortune to have been in charge during a terrorist attack and a rare natural disaster his vice president and his unstated agendas political business and family driven **Newsmax.com** ,2002-12 How to Talk to a Liberal (If You Must) Ann Coulter,2005-09-27 CAUTION You're about to enter the world of Ann Coulter How to Talk to a Liberal If You Must the instant New York Times bestseller shows why Ann Coulter has become the most recognized and controversial conservative intellectual in years Coulter ranges far and wide in this powerful and entertaining book which draws on her weekly columns No subject is off limits no comment left unsaid She even includes a special chapter featuring the pieces that squeamish editors refused to publish what you could have read if you lived in a free country In How to Talk to a Liberal If You Must which features a brand new chapter special to the paperback edition Coulter offers her unvarnished take on The essence of being a liberal The absolute conviction that there is one set of rules for you and another completely different set of rules for everyone else Her 9 11 comments I am often asked if I still think we should invade their countries kill their leaders and convert them to Christianity The answer is Now more than ever The state of the Democratic Party Teddy Kennedy crawls out of Boston Harbor with a quart of Scotch in one pocket and a pair of pantyhose in the other and Democrats hail him as their party's spiritual leader The Treason Lobby Want to make liberals angry Defend the United States How far the Left has sunk Liberals have been completely intellectually vanquished Actually they lost the war of ideas long ago It's just that now their defeat is so obvious even they've noticed And much more **Lies** Al Franken,2004-07-27 The 1 New York Times bestseller by Senator Al Franken author of Giant of the Senate Al Franken one of our savviest satirists People have been studying the rhetoric of the Right He has listened to their cries of slander bias and even treason He has examined the GOP's policies of squandering our surplus ravaging the environment and alienating the rest of the world He's even watched Fox News A lot And in this fair and balanced report Al bravely and candidly exposes them all for what they are liars Lying lying liars Al destroys the liberal media bias myth by doing what his targets seem incapable of getting his facts straight Using the Right's own words against
