Mastering the Travel Intermediaries Ben Vinod,2024-06-25

This book chronicles the role of travel intermediaries global distribution systems GDS travel management companies TMC and online travel agencies OTA in the distribution of travel products The book covers the historical development of these intermediaries and explores their current state and future prospects Almost six decades after the introduction of computerized reservations systems and four decades after the introduction of Global Distribution Systems that allowed travel agents to make automated airline bookings the distribution of air products is amid a major transition A fundamental change is pricing power which shifts from the GDSs to the airlines for the indirect channel These changes are driven by advancements in technology market economics and airline cost controls leading to the emergence of new revenue models that will permanently alter the landscape of air distribution As a result travel intermediaries are experiencing the effects of these turbulent times and must adopt innovative approaches and initiatives to adapt and transform their business models rather than maintaining the status quo In addition to the ongoing transformation over the next decade the advancements in emerging technologies like blockchain and decentralized digital identity will further revolutionize the distribution landscape across all sectors of the travel industry

A Modern Guide to the Digitalization of Infrastructure Montero, Juan,Finger,

Matthias,2021-09-23 Providing a coherent and multidisciplinary approach to digitalization this Modern Guide aims to systematize how the digitalization process affects infrastructure based industries including telecommunications transport energy water and postal services Handbook on E-marketing for Tourism Destinations World Tourism Organization,European Travel Commission,2008 This handbook is the fourth in a series of joint publications by the European Travel Commission ETC and the World Tourism Organization UNWTO in the area of methodological manuals The first three manuals were Evaluating NTO Marketing Activities ISBN 9789284406364 Tourism Market Segmentation ISBN 9789284412075 and Tourism Forecasting Methodologies ISBN 9789284412389 The internet and other new technologies have changed the tourism industry in an unprecedented way and keeping pace has become challenging Online information is now one of the primary influences on consumer decisions in nearly all major markets For example 41 per cent of tourists arriving in Spain in 2007 had booked through the internet and in the United States the number of trips bought online exceeded those purchased offline Such changes are impacting and influencing the way destinations and companies manage and market themselves
