Upon viewing the Groups in Action DVD (Segments 4-5, you will answer workbook questions that emphasize the application of concepts and techniques appropriate to the various stages of a group's development.

1) A member (SusAnne) tells you she wants to work, yet she keeps herself very vague and global. What do you say to her?

2) You are leading a group and ask, "Who wants to work?" There is a long silence and nobody gives any indication of wanting to work. What assumptions might you draw from this situation? What might you say?
