Presented in an A to Z format, this greatly expanded new edition spans fifty years of game design from the very earliest 1960's Spacewar through the present day releases on the PlayStation 3, Xbox 360, Wii and PC. Each game entry includes the year of release, the hardware it was released on, the name of the developer/publisher, a one to five star quality rating and a descriptive review which offers fascinating nuggets of trivia, historical notes, cross referencing with other titles, information on each game's sequels and, of course, the author's views and insights into the game.
