Ireland's Whiskey Guide Kate Amber, 2019-05-29 The little book about whiskey Ireland's Whiskey Guide is a comprehensive travel and whiskey guide Ireland's Whiskey Guide is a new guide to the Whiskey Distilleries of Ireland This Whiskey Book is a part travel guide and part historical insight This comprehensive Travel and Whiskey guide provides lively facts and anecdotes about the history of Irish Whiskey for beginners as well as some quirky facts about the island of Ireland as seen through the eyes of the author Through their journey von Kate and Shem the driver in the Emerald Isle she goes to the local roots of this whiskey rebirthing and speaks with many locals that have lived through more difficult times All the exciting and comedic details of her journey you can read about later Irish whiskey used to be the most popular whiskey in the world although the long decline since the late 19th century has severely damaged the industry It is so huge that even in Ireland which had more than 30 wineries in the 1890s a century later this number is only three Irish whiskey has become popular since the end of the 20th century and has been the fastest growing whiskey in the world every year since 1990 As the export volume grows at a rate of more than 15% per year the existing wineries have been expanded and some of them have been built As of June 2019 there are 25 wineries in operation in Ireland and another 24 are planned or under development However the service life of many of these whiskies is not sufficient to make locally produced whiskies age to the point where they can be sold There are three parts to the book The history of Irish whiskey while exciting has been somewhat forgotten due to this the first part of the book will give brief summaries of Irish whiskeys and their ups and downs and why Irish Whiskey is now moving into a glorious rebirthing age with distilleries springing up all over the island of Ireland The second part describes the processes in how whiskey is and more so on how Irish whiskey differs from all the other types of whisky especially Jack Daniels whiskey Through the second part the underlying motive of all good things take time especially resonating with the survival of the Irish Whiskey trade The third part has a travel focus and is for the adventure seeker in us all who have dreamed of visiting the vast green landscapes of Ireland and for those who wish to see these historical places in person Even if the reader comes from Ireland and just has an interest in their local history this guide can provide an off the beaten track type of guidance Initially is the book published in English **Irish Whiskey Guide** Peter Mulryan, 2009-05-22
