Enabling World-Class Decisions: The Executive's Guide to Understanding & Deploying Modern Corporate Performance Management Solutions Corey Barak, Hadrian Knotz, Nils Rasmussen, Michael Applegate, 2017-10-12. The world is speeding up and changes are rippling across the globe with blazing speed. If your organization is slow to respond, you can quickly fall behind. One of the best investments you can make in this technology-driven marketplace is to empower employees to make fast, smart decisions. To do that, you need to arm them with modern, integrated corporate performance tools to maximize their ability to set goals, adjust plans and budgets, and monitor performance. In *Enabling World-Class Decisions*, four technology executives with more than 100 years of combined experience in corporate performance management and business intelligence software answer questions such as: Why is it important to consider business intelligence solutions to enable better decision-making? How can you better prepare for the decision-making process? What should you consider when deploying a business intelligence platform?
