**Role Development in Professional Nursing Practice** Kathleen Masters,2009-10-07 Let Your Professional Journey Begin Role Development in

Professional Nursing Practice provides nursing students with a roadmap to help guide them along their journey as a professional nurse. Divided into two units, this text provides students with a basic foundation in areas such as nursing history, theory, philosophy, ethics, socialization into the nursing role, the social context of nursing, and career development in nursing. The second half of this text is more directly related to patient care issues such as patient education, ethical issues in nursing practice, the law as it relates to patient care, and nursing clinical judgment, informatics, and technology, as well as a new chapter on evidence-based nursing practice and the future directions in professional nursing practice.

**Professional Nursing Concepts** Anita Finkelman, Carole Kenner, 2014-12-03 Professional Nursing Concepts: Competencies for Quality Leadership, Third Edition, takes a patient-centered traditional approach to the topic of nursing education. An ideal text for teaching students how to transition from the classroom to practice, it focuses on the core competencies for health professionals as determined by the Institute of Medicine (IOM). Completely updated and revised, the new edition incorporates the latest findings from the IOM's Future of Nursing report. New to this edition is a chapter on success in a nursing education program, more case studies throughout, a new electronic reflection journal activity in each chapter, and new appendices on quality improvement, QI staffing, and a healthy work environment and getting the right position.

**Success in Practical/Vocational Nursing - E-Book** Signe S. Hill, Helen Stephens Howlett, 2012-09-04 Part of the LPN Threads series, Success in Practical/Vocational Nursing: From Student to Leader, 7th Edition, helps you develop the practical knowledge and problem-solving skills you need for a successful career as an LPN/LVN. This edition features up-to-date content that is logically organized with concepts that build on each other as you progress through the material. 1-2-3 approach walks you through the steps of what you need to do and how to do it. A separate chapter on critical thinking and plentiful critical thinking exercises encourage you to apply your knowledge to solve problems in both academic and personal situations. Coverage of Medicare helps you understand the costs of managed care, especially in long-term settings for older adults, and how it affects LPN/LVN practice and patients. Keep In Mind boxes prompt you to consider the underlying theme as you read the chapter. New Research and Evidence-Based Practice chapter addresses topics commonly encountered in LPN/LVN practice. New technology content helps you understand the role of simulation in nursing education and the proper etiquette for using electronic devices. Content reflects the concepts contained in the most current NCLEX-PN test plan. Professional Pointers throughout the text offer valuable advice on expectations in the professional arena during and after nursing school. Revised chapter on Health Care Systems reflects the implementation of dramatic changes. Updated nutrition and dietary information includes new MyPlate information. The latest protocols from the NAPNES, including student confidentiality, keeps you updated on your national association's practice standards. Revised, updated, and expanded culture content allows you to provide culturally sensitive care.
