

SHADES

The COLORINSIDER palette is comprised of 53 stunning shades for endless hair color possibilities. Shades are true to a traditional level system and full-bodied, yet still dimensional.

Matrix's signature "pre-adjusted tone" at each level still exists, yet there is more alignment between each family, making it easier for the colorist to navigate and readily predict the end result at every level.

Shades are calibrated to be intuitive to the stylist; deep and rich where they are needed, light and multi-reflective where expected.
