Elgin Watches [catalog]. Elgin National Watch Co. (Chicago, Ill.),189? Ordnance Maintenance War  
Department,2022-04-03 Every American soldier airman seaman and auxiliary personnel in WWII wore a wristwatch or  
carried a pocket watch For military operations reliability and accuracy in timekeeping has always been paramount and in  
WWII the need for both became undeniable the pace of modern war made highly synchronized operations the rule rather  
than the exception In order to meet these requirements a whole new generation of timepieces were issued Innovative new  
models featured a host of improvements from second hacking capabilities to improved waterproofing more durable and  
accurate movements and purpose driven complications No wonder that many of today s modern brands market classic WWII  
watches as a key part of their product lines The job of keeping America s WWII military timepieces in good condition fell to a  
group of specially trained military watchmakers This book which was originally published in 1945 by the War Department  
was the standard issues training manual for this cadre It contains detailed instructions for the inspection disassembly
