Climate Change Joshua Sneideman, Erin Twamley, 2015-04-07 For more than 200 years scientists have been observing measuring and analyzing information about our planet's climate. Studies show that the earth is in constant transition and humans have an effect on what happens. In *Climate Change Discover How It Impacts Spaceship Earth* young readers examine real studies concerning planetary science, Arctic ice bubbles, and migratory patterns. Kids explore the history of human impact from the Industrial Revolution to our modern day technology as well as the innovations underway around the world to address global climate change. The idea of climate change can be scary, but every one of us has the ability to make a difference. Focused on a pro-active approach to environmental education, *Climate Change* engages readers through hands-on activities and helps kids deconstruct myths about our changing world. Kids are directed to digital supplemental material that makes complex concepts easier to understand through visual representation. *Climate Change* offers a myriad of ways to think of our Spaceship Earth as the singular resource it is. *Climate Change* meets Common Core State Standards for literacy in science and technology. Guided Reading Levels and Lexile measurements indicate grade level and text complexity. **Q Tasks, 2nd Edition** Koechlin, Carol, Zwaan, Sandi, 2014-10-01 Questions and questioning are key skills in successful learning. The original *Q Tasks* was instrumental in showing teachers how to give students the tools they need to develop their own questions and build critical thinking and inquiry skills. This new totally revised edition continues to nurture and advance these crucial skills and also offers *Q task* extensions that introduce digital components that facilitate collaboration and are designed to appeal to tech-savvy students. More than 100 practical flexible exercises in this remarkable book provide a smorgasbord of choices for teachers to use to help students formulate good questions in an information-rich environment. They put the students at the centre of their own learning as they build the library and research skills that are essential to our information age. Teachers will find innovative ways to help students go beyond memorization and rote learning of facts to focus on personal understanding and true ownership of the learning experience. [Essential Concepts for Healthy Living](#) Sandra Alters, Wendy Schiff, 2013 *Essential Concepts for Healthy Living* provides students with a clear and concise introduction to the latest scientific and medical research in personal health. With its unique focus on critical thinking and analysis of health-related behaviors and attitudes, this text enhances students' understanding of their own health needs and presents the scientific background necessary for students to think critically about the reliability of health-related information they encounter in the media. **Everyday Content-Area Writing** Kathleen Kopp, 2010 *Everyday Content Area Writing* shows intermediate grade teachers how to integrate writing into daily instruction and use it as an authentic, engaging tool that will develop deeper content area understanding. Kathleen Kopp's fun and creative write-to-learn strategies span the gamut of math, science, and social studies to show you how to make writing a time-saving, valuable part of your instructional day. *Everyday Content Area Writing* includes strategies to build background, foster review, follow-up, and practice through

individual and group activities and teach content area vocabulary note taking tactics organizational methods and ways to save time while bringing meaning to learning explanations and guidelines for formative assessments that guide instruction and summative post unit assessments that evaluate student learning original ideas for incorporating technology inside and outside the classroom publishing student work and differentiating instruction and tips for establishing a supportive writing environment Suggested writing resources ready to go templates unit assessment plans sample projects and prompts round out this resource
