

PIL Class Test, 31 August 2023 – Marking Memorandum

- Please note that this is a guide to the lecturers. Lecturers had discretion especially when it comes to theory questions depending on the response given by the student on a particular question.
- Student responses must be clear, complete, understandable and appropriate.
- If just partial aspect of the question was accurately stated, or an incomplete but partly accurate definition was provided, a student was given ½ mark instead of the full mark.
- It is important to always read over your response closely to eliminate any errors/incorrect spellings. Incorrect spelling that indicates a different meaning/is not related to the intended word implies loss of marks.
- Students should study the memo carefully so that you come prepared for any consultation on the test with the lecturer that marked your script (*Questions 1, 2, 3 – Prof Meyersfeld; Questions 4, 5, 6 – Ms Sithole; Questions 7, 8, 9, 10 – Prof Chenwi*).
- The course coordinator WILL NOT deal with scripts/questions marked by colleagues (i.e. to discuss their scripts with the students).
- If there is an error with calculation of your total marks, consult/take the script to Prof Chenwi.
- **Students have until Tuesday 17 October 2023 to consult on the class test scripts**, after which the test script consultation period closes and PIL lecturers will no longer be in a position to consult on the test script.
- **Please read** any comments by the lecturer in your scripts carefully and work towards addressing the limitations in the way you respond to questions, so that you do not repeat same mistakes and lose marks in subsequent assessments.
