When to Walk Away Study Guide with DVD Gary L. Thomas, 2019-10-22. Jesus walked away from toxic people and you should too. In this six-session video Bible study, bestselling author Gary Thomas draws on Jesus' example to show how the best course of action for us to take with some relationships is to walk away or let the other person walk away. In the Gospels we read that when Jesus spoke a hard truth, sometimes the other person chose to walk away. Other times the person asked Jesus to leave and he complied. There were also times when people begged Jesus to stay but he walked away so he could remain completely focused on the mission God had for him. Most of us have run across toxic individuals who drain us of our joy and peace, people who resent the grace we share and will never change. However, as Gary will show in this study, we don't have to pour our time and energy into these people. Instead, we can follow Jesus' example to walk away from toxic people and walk toward healthy relationships that will encourage us, strengthen us, and build us up. And as we do, it frees us to focus completely on the purpose that God has established for our lives. Sessions include: Follow Jesus' Example, Recognize Toxic People, Build a Good Offense, Create a Good Defense, Speak the Truth, Align with Christ. This pack contains one study guide and one DVD.
